BZA 12-67 - James V. & Dorothy Osborn
request Variance of side yard setback
on the south side of Elm in an area
east of Old Manor Road

May 26, 1967

Mr. James V. Osborn
1014 Central Building
Wichita, Kansas 67202

Dear Mr. Osborn:

Re: Case No. BZA 12-67 - Request for
a Variance of the sideyard setback

Enclosed is a signed copy of the Resolution adopted by the Board of Zoning Appeals on May 23, 1967, in connection with your application for Variance of the setback requirements on property zoned "B" Multiple Family and generally located on the south side of Elm in an area east of Old Manor Road. This Resolution reflects the official action of the Board and sets out the conditions of approval.

If you have any questions concerning this matter, please call.

Very truly yours,

Ronald A. Williamson
Assistant Secretary

cc: Glen Lytle, Superintendent, Central Inspection
Ralph Eberly, City Clerk

R E S O L U T I O N N O. BZA 12-67

WHEREAS, James V. and Dorothy H. Osborn, 1014 Central Building, Wichita, Kansas, request a variance as provided in Section 2.12.590.2, Code of the City of Wichita, to reduce the required 25 foot sideyard setback adjacent to the east and west property lines to 16 feet on property legally described as follows:

Lots 4, 5 and 6, Block 12, in East Highland Addition, Wichita, Kansas. Generally located on the south side of Elm in an area east of Old Manor Road.

WHEREAS, proper notice as required by ordinance and by the rules of the Board of Zoning Appeals has been given; and

WHEREAS, the Board of Zoning Appeals did consider said application on May 23, 1967, and

WHEREAS, the Board of Zoning Appeals has jurisdiction to consider said request for a variance under the provisions of Section 2.12.590.2, Code of the City of Wichita; and

WHEREAS, the property is zoned "B" Multiple Family; and

WHEREAS, the Board of Zoning Appeals has found that the variance requested arises from such a condition which is unique and not ordinarily found in the same zone or district, and is not created by an action of actions of the property owner or the applicant inasmuch as the 25 foot setback is ordinarily required for a larger school and since this is a small nursery school, the 25 foot setback is not necessary; and

WHEREAS, the Board of Zoning Appeals has found that the granting of the variance would not adversely affect adjacent property owners or residents inasmuch as the applicant is being required to construct a 6-foot high solid fence around the rear yard to act as a physical buffer between the two properties; and

WHEREAS, the Board of Zoning Appeals has found that the strict application of the provisions of Title 28 of which variance is requested will constitute unnecessary hardship upon the property owner represented in the application inasmuch as the purpose and intent of the ordinance in requiring a 25-foot sideyard setback was primarily aimed at larger public facilities and that on smaller uses such as a nursery school a somewhat smaller setback could be justified; and

WHEREAS, the Board of Zoning Appeals found the variance desired will not adversely affect the public health, safety, morals, order, convenience, prosperity, or general welfare; and

WHEREAS, the Board of Zoning Appeals found that the granting the variance desired will not be opposed to the general spirit and intent of Title 28 (zoning ordinance) inasmuch as the 16 foot sideyard setback should be adequate for a smaller use such as a nursery school inasmuch as the applicant is being required to construct a 6-foot high fence as a buffer; and

WHEREAS, each of the five conditions required by Section 2.12.590.2, Code of the City of Wichita, necessary to be present before a variance can be granted, have been found to exist; and

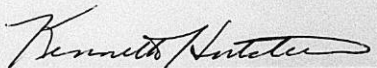

NOW, THEREFORE, BE IT RESOLVED by the Board of Zoning Appeals that this request for a variance of the sideyard setback from 25 feet to 16 feet on property zoned "B" Multiple Family and legally described as:

Lots 4, 5 and 6, Block 12, in East Highland Addition, Wichita, Kansas. Generally located on the south side of Elm in an area east of Old Manor Road.

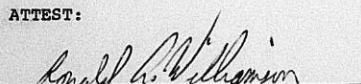

be approved subject to the following conditions:

1. The applicant shall construct a six foot high solid or semi-solid fence of masonry, wood, or louvered redwood around the perimeter of the rear yard, and said fence shall be constructed prior to the occupancy of the site for the nursery school.
2. No entrances or exits shall be permitted on the east or west sides of the structure.

ADOPTED AT WICHITA, KANSAS, this 23rd day of May, 1967.

Kenneth Hartstein, Chairman

ATTEST:

Ronald A. Williamson
Assistant Secretary

May 24, 1967

Mr. James V. Osborn
1014 Central Building
Wichita, Kansas 67202

Dear Mr. Osborn:

Re: Case No. BZA 12-67 - Request for
a Variance of the sideyard setback

At the regular meeting of the Board of Zoning Appeals on May 23, 1967, your request for a variance of the sideyard setback from 25 feet to 16 feet adjacent to the east and west property lines in order to establish a nursery school on property zoned "B" Multiple Family and located on the south side of Elm in an area east of Old Manor Road, was considered.

It was the action of the Board to approve the sideyard setback variance subject to the following conditions:

1. The applicant shall construct a six foot high solid or semi-solid fence of masonry, wood, or louvered redwood around the perimeter of the rear yard, and said fence shall be constructed prior to the occupancy of the site for the nursery school.
2. No entrances or exits shall be permitted on the east or west sides of the structure.

A Resolution setting forth the official action of the Board is being prepared and you will receive a copy as soon as the Chairman and Secretary of the Board have signed it. If you have any questions, please call.

Very truly yours,

Ronald A. Williamson
Assistant Secretary

Mrs. Jean Jenson, 5327 East Elm

SECRETARY'S REPORT

CASE NO. BZA 12-67

APPLICANT: James V. and Dorothy H. Osborn, 1014 Central Bldg, Wichita

REQUEST: Variance pursuant to Section 2.12.590.2, Code of the City of Wichita, to reduce the sideyard setback from 25 feet to 16 feet adjacent to the east and west property lines in order to establish a nursery school

GENERAL LOCATION: South side of Elm in an area east of Old Manor Road

ZONING: Subject property and that to the east and west is zoned "B" Multiple family, to the north is "AA" Single family and to the south is "LC" Light Commercial and "B" Multiple family

LAND USE: Subject property and that to the west is single family, to the east is a duplex and medical office, to the south is a fourplex and appliance store, to the north is single family

JURISDICTION:

The Board has jurisdiction to consider the variance request under the provisions outlined in Section 2.12.590.2, Code of the City of Wichita. The Board may grant the request when all five of the following conditions are found to exist:

1. That the variance requested arises from such condition which is unique to the property in question and which is not ordinarily found in the same zone or district; and is not created by an action or actions of the property owner or the applicant.
2. That the granting of the permit for the variance will not adversely affect the rights of adjacent property owners or residents.
3. That the strict application of the provisions of Title 28 of which variance is requested will constitute unnecessary hardship upon the property owner represented in the application.
4. That the variance desired will not adversely affect the public health, safety, morals, order, convenience, prosperity or general welfare.

5. That granting the variance desired will not be opposed to the general spirit and intent of Title 28 (zoning ordinance).

COMMENTS BY THE SECRETARY

The applicant points out in his statement of justification, of which a copy is attached, that he proposes to establish a nursery school on subject property. The statement further points out that this is to be a pre-school educational program and not a "babysitting service". Two three-hour classes will be held each day five days a week and the activities are planned to be both indoor and outdoor.

Section 28.04.070.C.2.3 of the zoning ordinance reads as follows:

"A sideyard width of not less than 25 feet on the side of the lot adjoining another building site shall be provided for all schools, libraries, churches having auditoriums seating 250 persons or more, community houses and other similar type public buildings used, constructed or enlarged in the "B" multiple family dwelling district."

Therefore, by ordinance the applicant must provide a 25 foot sideyard setback on either side of the property and with the existing structure on the site can provide only a 16 foot sideyard setback.

Uniqueness

Uniqueness is a condition which is unusual to the property in question as to limitations caused by odd shaped lots, severe topography, drainage easements, and other similar circumstances, and which is not ordinarily found in the same zone or district and is not created by the action or actions of the property owner or applicant. There are no severe physical limitations on the site and, therefore, it is the opinion of the secretary that there is not sufficient justification to find that the condition of uniqueness exists.

Adjacent Property

It is the opinion of the Secretary that the granting of the variance would not adversely affect the rights of the adjacent property owners or residents if the applicant constructed a 6-foot

May 23, 1967

high solid fence around the rear yard. The fence would then provide a physical buffer between the two properties and would be sufficient justification to reduce the required sideyard setback from 25 feet to a lesser footage.

Hardship

It is the opinion of the Secretary that the purpose and intent of the ordinance in requiring a 25-foot sideyard setback was primarily aimed at larger public facilities such as schools, libraries, churches, and so forth. Therefore, it is the opinion of the Secretary that on smaller uses such as a nursery school a somewhat smaller setback could be justified providing fencing is required.

Public Interest

It is the opinion of the Secretary that the granting of the variance would in no way adversely affect the public interest.

Spirit and Intent

It is the opinion of the Secretary that the variance request from 25 feet to 16 feet is not opposed to the general spirit and intent of Title 28 inasmuch as the 16 foot sideyard setback should be adequate for a smaller use such as a nursery school provided that the applicant constructs a solid 6-foot high fence as a buffer.

Recommendation

It is the opinion of the Secretary that all five conditions necessary to the granting of the variance can not be found to exist and, therefore, it is recommended that the variance request not be granted.

Attachment

1. The Residence located at 5417 East Elm has 16 feet between structure and property line, on each side. This exceeds the normal requirement of 5 feet by 11 feet on each side. Therefore this instance is unique by being greater than the normal.
2. The granting of this permit will benefit the adjacent property owners by improving 5417 East Elm. Plans have been made to erect a fence around property as shown. Improvements will be necessary (for the property has been neglected) to bring this residence up to the standard required to make it suitable for Pre-School purposes.
3. If this application is not approved, the site would be unusable as a Pre-school, therefore causing property to be again used as rental property, further distressing the residence.
4. As stated before, improvements will be made to property. In addition a fence is to be erected (approximately 6 foot) which will screen the area, again, improving surrounding neighborhood.
5. With the before mentioned fence, the required 25 feet would be unnecessary; 16 feet being more than adequate to protect the surrounding property owners. See "Proposed Operation" below.

PROPOSED OPERATION OF SCHOOL

This school shall maintain intelligent planning combined with knowledge of child growth and development, and shall be considered as a Pre School educational program rather than a "baby sitting service".

Outdoor activities will be held each day, weather permitting, but only on a schedule, the children being in the yard a minor part of the time, and only in the fenced area, which again will protect surrounding property from the children.

Children will be kept only three hours per session, five days per week, not more than two sessions per day.
