Re: Variance of Off-Street
Parking Requirements -
Case No. BZA 12-72

Dear Ms. Crosby:

On May 23, 1972, the Board of Zoning Appeals considered the request of the First Unitarian Church, 1501 Fairmount, to reduce the required number of off-street parking spaces from 32 to 6 spaces.

In reviewing this case it was noted that the action of the Board was to approve the request, subject to the church complying with the required number of off-street parking spaces by July 1, 1974. A recent field check of this property revealed that the required parking has not been provided. Copies of the Board's Resolution reflecting this action were forwarded to John Millet and David Farnsworth, who represented the church.

It is recognized that changes in church leadership may have caused the matter to be overlooked, therefore, I am requesting your response as to the church's intention of complying with the off-street parking requirement and how soon this could be accomplished.

By copy of this letter, I am notifying the Superintendent of Central Inspection of the church's failure to comply

Ms. Greta Crosby, Minister
January 14, 1977

with the condition imposed by the Board of Zoning Appeals and will await your timely response before recommending any action by their office.

If you have any questions concerning this matter, please call.

Sincerely,

Larry Dobson

BZA 12-72, Variance to Reduce Off-Street Parking Spaces

On May 23, 1972 the Board of Zoning Appeals considered the request of the First Unitarian Church, 1501 Fairmount, to reduce the required number of off-street parking spaces from 32 to 6.

Upon review of this case it was noted that the action of the Board was to approve the request subject to the church complying with the required number of off-street parking spaces by July 1, 1974.

Please advise as to whether the required parking has been provided. In the event it has not we will probably want to schedule the matter before the Board.

Thank you for your cooperation.

RESOLUTION NO. BZA 12-72

WHEREAS, First Unitarian Church, 1501 Fairmount, Wichita, Kansas, by David Farnsworth, President of First Unitarian Church, 1501 Fairmount, Wichita, Kansas, requests a variance as provided in Section 2.12.590.B, Code of the City of Wichita, to reduce the required number of off-street parking spaces from 32 to 6 on property zoned "A" Two Family, and legally described as follows:

Lots 122, 124, 126, 128, 130, 132, 134, 136, 138, 140 and 142, on Holyoke Ave., and Lots 127, 129, 131, 133, 135, 137, 139 and 141, on Fairmount Ave., all in Fairmount, an Addition to the City of Wichita, Sedgwick County, Kansas. Generally located on the north side of 14th Street in an area between Fairmount and Holyoke.

WHEREAS, proper notice as required by ordinance and by the rules of the Board of Zoning Appeals has been given and

WHEREAS, the Board of Zoning Appeals did, at the meeting of May 23, 1972, consider said application; and

WHEREAS, the Board of Zoning Appeals has proper jurisdiction to consider said request for a variance under the provisions of Section 2.12.590.B, Code of the City of Wichita; and

WHEREAS, the Board of Zoning Appeals has found that the variance arises from such condition which is unique to the property in question and which is not ordinarily found in the same zone or district; and is not created by an action or actions of the property owner or the applicant inasmuch as the applicant is requesting the variance only until July 1, 1974, rather than asking for a complete waiver of 26 of the required parking spaces; and

WHEREAS, the Board of Zoning Appeals has found that the granting of the permit for the variance will not adversely affect the rights of adjacent property owners or residents inasmuch as the same situation will exist that has existed over the past several years; and

WHEREAS, the Board of Zoning Appeals has found that the strict application of the provisions of Title 28, of which variance is requested, will constitute unnecessary hardship upon the property owner represented in the application inasmuch as there appears to be no greater need for the parking than when the variance was granted in 1969; and

WHEREAS, the Board of Zoning Appeals has found that the variance desired will not adversely affect the public health, safety, morals, order, convenience, prosperity or general welfare inasmuch as the membership has not increased over the past 2½ years and therefore on-street parking will not be increased over that which presently exists; and

WHEREAS, the Board of Zoning Appeals has found that the granting of the variance desired will not be opposed to the general spirit and intent of Title 28 (Zoning Ordinance) inasmuch as since the applicant desires to reduce the off-street parking for a limited time and will provide the required paved off-street parking spaces by July 1, 1974; and

WHEREAS, each of the five conditions required by Section 2.12.590.B, Code of the City of Wichita, to be present before a variance can be granted, have been found to exist.

NOW, THEREFORE, BE IT RESOLVED by the Board of Zoning Appeals of the City of Wichita, that this request for a variance to reduce the required number of off-street parking spaces from 32 to 6, on property zoned "A" Two Family and legally described as:

Lots 122, 124, 126, 128, 130, 132, 134, 136, 138, 140 and 142, on Holyoke Ave., and Lots 127, 129, 131, 133, 135, 137, 139 and 141, on Fairmount Ave., all in Fairmount, an Addition to the City of Wichita, Sedgwick County, Kansas. Generally located on the north side of 14th Street in an area between Fairmount and Holyoke.

be approved subject to the church complying with the required number of paved off-street parking spaces by July 1, 1974.

SECRETARY'S REPORT
CASE NO. BZA 12-72

APPLICANT: First Unitarian Church, 1501 Fairmount, Wichita,
Kansas 67208

AGENT: David Farnsworth, President, 1501 Fairmount, Wichita,
Kansas 67208

REQUEST: Variance pursuant to Section 2.12.590.B, Code of the City
of Wichita, to reduce the required number of off-street
parking spaces from 32 to 6

GENERAL LOCATION: On the north side of 14th Street in an area
between Fairmount and Holyoke

ZONING: Subject property is zoned "A" Two Family as are all the
surrounding properties

LAND USE: Subject property is occupied by a church; to the north
and west is single and two family; south is single
family; east is single family and undeveloped land

JURISDICTION:

The Board has jurisdiction to consider the variance request
under the provisions outlined in Section 2.12.590.B, Code of the
City of Wichita. The Board may grant the request when all five
of the following conditions are found to exist:

1. That the variance requested arises from such condition which
is unique to the property in question and which is not
ordinarily found in the same zone or district; and is not
created by an action or actions of the property owner or
the applicant.
2. That the granting of the permit for the variance will not
adversely affect the rights of adjacent property owners or
residents.
3. That the strict application of the provisions of Title 28 of
which variance is requested will constitute unnecessary hard-
ship upon the property owner represented in the application.
4. That the variance desired will not adversely affect the public
health, safety, morals, order, convenience, prosperity or
general welfare; and
5. That granting of the variance desired will not be opposed to
the general spirit and intent of Title 28 (zoning ordinance).

COMMENTS BY THE SECRETARY:

The First Unitarian Church is requesting a variance of the required number of off-street parking spaces from 32 to 6.

The Board of Zoning Appeals considered this same request on November 25, 1969 and approved the request subject to the church complying with the required 32 parking spaces by July 1, 1972. The church is now requesting an extension to July, 1974 for having to comply with the parking requirement.

UNIQUENESS:

It is the opinion of the Secretary that this is somewhat of a unique situation inasmuch as the applicant is requesting the variance only until July 1, 1974, rather than asking for a complete waiver of 26 of the required parking spaces.

ADJACENT PROPERTY:

It is the opinion of the Secretary that granting of the variance should not adversely affect adjacent properties inasmuch as the same situation will exist that has existed over the past several years.

HARDSHIP:

It is the opinion of the Secretary that the applicant would be faced with an unnecessary hardship if the variance request were not granted inasmuch as there appears to be no greater need for the parking than when the variance was granted in 1969.

PUBLIC INTEREST:

It is the opinion of the Secretary that the granting of the variance would not affect the public interest inasmuch as the membership has not increased over the past 2½ years and therefore on-street parking will not be increased over that which presently exists.

SPIRIT AND INTENT:

It is the opinion of the Secretary that the granting of the variance would not be opposed to the general spirit and intent of Title 28 (zoning ordinance) inasmuch as since the applicant desires to reduce the off-street parking for a limited time and will provide the required paved off-street parking spaces by July 1, 1974.

Page 3 - Secretary's Report
Case No. BZA 12-72

RECOMMENDATION:

It is the opinion of the Secretary that all five conditions necessary to the granting of the variance can be found to exist and, therefore, it is recommended that the request to reduce the required number of off-street parking spaces from 32 to 6 be approved subject to the church complying with the required number of paved off-street parking spaces by July 1, 1974.

March 28, 1972

City of Wichita
Board of Zoning Appeals

Attention: Mr. Robert Lakin

Under Case No. B2A-28-69, the First Unitarian Church, 1501 Fairmount, Wichita, Kansas, 67208, was granted a variance with regard to constructing paved off-street parking as was required upon the granting of a building permit for an addition to its church. Said variance was for the period expiring in July 1972.

It is respectfully requested that the variance be extended for an additional two years - July 1972 through July 1974. The reasons set forth in the previous request still pertain. Further, it is worthy of note, that (1) the church membership did not increase with the building addition - it remains essentially the same, and (2) the position of the meeting room addition and the entrance changes permitted more on-property parking. If anything the on-street situation is even better now than it was before the addition was made, and (3) the entire neighborhood is in somewhat of a state of flux and the church desires to invest as little as possible in this property until a more clear picture of the future emerges.

The Security Abstract and Title Company, Inc. has been authorized to up-date the previous Abstract Order No. 167455 and will forward to your office upon completion.

Sincerely Yours,

David Farnsworth
