RE: ZON2022-00060: Zone change request in the City from SF-5 Single-Family Residential to TF-3 Two-Family Residential to build a duplex residence; located approximately 200 feet north of West 1st Street on North Hoover Street.

Dear Applicant;

At its regular meeting on **December 1, 2022**, the Wichita - Sedgwick County Metropolitan Area Planning Commission considered the above captioned request. The action of the MAPC was to **APPROVE** the request.

Property owners opposed to the application may file with the City Clerk a signed, written protest of the MAPC's recommendation. (Unsigned e-mails are not considered to be legal protests.) **To be effective, the protest must be filed by 5:00 p.m. on December 15, 2022.** In order to be considered a "valid" petition, the signatures must reflect the correct and entire ownership of the property, the property must be at least partially located within the valid protest area, and must be submitted to the City Clerk by **December 15, 2022 at 5:00 p.m.**

NOTE: District Advisory Board VI (DAB) will consider this case at their meeting to be held at **6:30 p.m., Monday, December 5, 2022**. Additional information regarding the DAB meeting may be obtained by calling the Community Services Representative, Ana Lopez at 303-8043, or alopez@wichita.gov (www.wichita.gov/council).

This application is scheduled for consideration by the Wichita City Council on **Tuesday, January 3, 2022, beginning at 9:00 a.m.** The City Council meeting will be held in the City Council Chambers, First Floor, City Hall, 455 N. Main, Wichita, Kansas.

This is a reminder that the notification signs should now be removed from the property. If you have any questions concerning this application, please contact our office at 268-4421.

Sincerely,

Eryn Ebach

[illegible]

BACKGROUND: The applicant is requesting a zone change from SF-5 Single-Family Residential District to TF-3 Two-Family Residential District for a .20-acre property generally located within 200 feet north of West 1st Street North and on the east side of North Hoover Road. If this request is approved, the applicant plans to develop a duplex on the vacant property.

TF-3 Two-Family Residential District zoning accommodates single-family and duplex development, very limited density Multi-Family residential development (by Conditional Use approval), and some civic uses such as churches and schools.

The area surrounding the subject site is generally developed with single-family residences constructed in the mid-1980s, though, more recent infill development has added a number of two-family residences to the area. Properties to the north, south, and east of the subject site are zoned SF-5 Single-Family Residential District and are developed with single-family residences and accessory structures. West of the subject site is a SF-5 Single-Family Residential property owned by Evergy. The north portion of the Evergy property is developed with the Hoover Electric Substation, and the south portion, directly west of the subject property, is undeveloped and hosts a community garden. Farther west of the site, abutting the Evergy property, is the I-235 right-of-way.

Should this request be approved, the proposed duplex will be subject to the property development standards of the TF-3 District, outlined in Section III-B.6 of the Unified Zoning Code. The applicant has not provided a site plan, but the subject property exceeds the minimum requirements for lot area and width, and ample area is available for the proposed duplex to comply with setback requirements. Due to the similarity of residential use, the UZC does not require screening between SF-5 and TF-3 zoning districts.

CASE HISTORY: In 1948, the property was platted as Lot 5, block 1 of the Westbreeze Addition to Wichita, Sedgwick County, Kansas. Lot 5 was split by sale prior to 1981, dividing the east and west halves of the property. There have been no other zoning actions requested on the site.

ADJACENT ZONING AND LAND USE:

NORTH:	SF-5	Single-family residence
SOUTH:	SF-5	Single-family residence
EAST:	SF-5	Single-family residence
WEST:	SF-5	Electric substation and undeveloped land

PUBLIC SERVICES: In this area, North Hoover Street and West 1st Street North are paved, two-way local streets without sidewalks. Wichita Transit provides intermittent service a quarter mile away at West 1st Street North and North Doris Street and regular service just over a half-mile away to West Maple Street and North Doris Street. Municipal water and sewer are available to the site.

CONFORMANCE TO PLANS/POLICIES: The request to rezone the property is in conformance with the *Community Investments Plan* (the Wichita-Sedgwick County Comprehensive Plan) and the *Places for People Plan*.

Community Investments Plan: The 2035 Wichita Future Growth Concept Map, which outlines the preferred development pattern and land uses within the *Plan* area, identifies this subject site as appropriate for “Residential” development and use. “Residential” areas should “reflect the full diversity of residential development densities and types typically found in a large urban municipality.” Adding a two-family residence to the neighborhood would increase the diversity of residence types and densities in the area, adhering to this component of the *Plan*.

The subject site and surrounding area are located within the Established Central Area (ECA) of the City. Locational guidelines for the ECA encourage infill development where public investment in existing and planned infrastructure can be maximized. All municipal services currently serve the area and two-family development on the site would further utilize the existing infrastructure. Additionally, the *Plan* recommends infill development occur when the scale and intensity is compatible with existing uses. The proposed zone change would allow TF-3 Two-Family Residential District uses which are of a scale and intensity compatible with the surrounding neighborhood.

Wichita: Places for People Plan: The subject area is identified as an “Area of Opportunity” by the *Wichita: Places for People Plan*. In “Areas of Opportunity” small-scale infill development, like the requested two-family residential use, can be supported by the current market of the area, and build market support for larger development projects in the future.

RECOMMENDATION: Based on the information available at the time the staff report was prepared, it is recommended that the application be **APPROVED**.

This recommendation is based on the following findings:

1. The zoning, uses and character of the neighborhood: The subject site is located on the east side of North Hoover Street, just north of West 1st Street North. Properties to the north, south, and east are zoned SF- 5 Single-Family Residential District and are developed with single-family residences and accessory structures. West of the subject site is a SF-5 Single-Family Residential property owned by Evergy. The north portion of the Evergy property is developed with the Hoover Electric Substation, and the south portion, directly west of the subject property, is undeveloped and hosts a community garden. Farther west of the site, abutting the Evergy property, is the I-235 right-of-way.
2. The suitability of the subject property for the uses to which it has been restricted: The site is currently zoned SF-5 Single-Family Residential District, which accommodates single-family development and complementary land uses.
3. Extent to which removal of the restrictions will detrimentally affect nearby property: A zone change to TF-3 Two-Family Residential would allow all uses permitted in the TF-3 District on this site. Approval of the request should not have significant detrimental impacts on nearby property owners due to the compatibility of the requested and existing uses.
4. Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies: The request to rezone the property is in conformance with the *Community Investments Plan* and the *Wichita: Places for People Plan* as discussed in the staff report.
5. Impact of the proposed development on community facilities: It is not anticipated that approval of this request should generate any additional impact on community facilities. Existing infrastructure at the site will accommodate the proposed use.

d. Property development standards. Each Site in the TF-3 District shall be subject to the following minimum property development standards except, however, that any Lot of Record located within the City of Wichita that existed at the time of adoption of Wichita Ordinance No. 10-107 on October 1, 1928, having a width of 40 feet or less and held under a distinct ownership from Contiguous Lots, shall not be required to provide any Side Yard Setback of greater than three feet. Setbacks and heights are for Principal Structures. See Sec. III-D.7.e for Setbacks and heights for Accessory Structures. See Secs. III-E.2.e (2) and III-E.2.e (3) for Front Setbacks on unplatted tracts or major roadways. Compatibility standards in Secs. IV-C.4 and IV-C.5 may take precedence.

- 1) Minimum Lot Area: 3,500 square feet for Single-Family; 3,000 square feet per Dwelling Unit for Duplex and Multi-Family (maximum 14.5 Dwelling Units per acre); 5,000 square feet for nonresidential uses
- 2) Minimum Lot Width: 35 feet
- 3) Minimum Front Setback: 25 feet
- 4) Minimum Rear Setback: 20 feet
- 5) Minimum Interior Side Setback: six feet, except five feet if Lot is below 6,000 square feet, and that one required side Yard for a Single-Family Dwelling Unit or Duplex may be reduced to as little as zero feet if Setback lines are established that ensure a minimum of twelve feet between Structures on Contiguous Lots
- 6) Minimum Street Side Setback: 15 feet
- 7) Maximum Height: 35 feet
