Agenda Report # _____

TO: Mayor and City Commissioners

SUBJECT: Z-2739 - REQUEST FOR ZONE CHANGE FROM "AA" ONE-FAMILY DWELLING DISTRICT TO "B" MULTIPLE-FAMILY DWELLING DISTRICT, LOCATED EAST OF GOVERNEOUR IN AN AREA SOUTH OF 29TH STREET NORTH.
(Wesley Medical Endowment Foundation)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

MAPC Recommendation: Approve "B" (9-0)

Staff Recommendation: Approve "B"

Background: On January 9, 1986, the MAPC held a public hearing to consider a zone change request from "AA" to "B" for a 10-acre unplatted tract of land located east of Gouverneur Road in an area south of 29th Street North. The site is currently undeveloped and is part of the overall Comotara residential community unit plan. The C.U.P. limits the use of this site to a licensed skilled nursing center. In 1980, "B" zoning was approved for most of this area, subject to platting which has never occurred. The boundaries of the proposed nursing center site have changed slightly, thus the need for a new rezoning request. No one spoke either in support of or in opposition to the application. The MAPC recommended unanimously that the application be approved, subject to platting within one year.

CPO Council "I" reviewed the request on January 7 and recommended unanimously that the rezoning be approved subject to the drainage problems being taken care of. Drainage will be resolved at the time of platting.

Analysis: Property to the north, east and west is all zoned "AA" subject to a C.U.P. and is undeveloped; property to the south is zoned "AA" and developed with single-family homes. The Planning Commission found that the character of the neighborhood; the approved C.U.P.'s which specify uses within this section of land; and the suitability of subject site for the use proposed justified the zone change.

- Actions:
1. Concur with the findings of the MAPC and approve the zone change, subject to the condition of platting; instruct the Planning Department to forward the zoning ordinance for first reading when the plat is forwarded to the City Commission; or
 2. Return the application to the MAPC for reconsideration stating reasons.
