**AGENDA REPORT NO.
August 22, 2024**

STAFF REPORT

CASE NUMBER: VAC2024-00038 - County Vacation of a portion of a platted 30-foot front setback to reduce it to 10 feet.

APPLICANT: Mark & Paula Richards (applicants)

LEGAL DESCRIPTION: Generally described as vacating a portion of the platted 30-foot front setback on Lot 3, Block 14, Miles Country Club Estates 2nd Addition, Sedgwick County, Kansas. (See attached legal description)

LOCATION: Generally located 1,950 feet south of West 47th Street South 1,550 feet west of North 231st Street West (23 West Beaver Creek Court). (BOCC III)

REASON FOR REQUEST: Construct a detached garage and bring existing carport into compliance.

CURRENT ZONING: Site and adjacent properties are zoned RR Rural Residential District and are developed with single-family dwellings.

VICINITY MAP:

The applicants propose to vacate a portion of the platted 30-foot street side setback along West Beaver Creek Court on Lot 3, Block 14, Miles Country Club Estates 2nd Addition. If approved, this will reduce the platted setback to 10 feet. The property is addressed 23 West Beaver Creek Court and is generally located 1,950 feet south of West 47th Street South 1,550 feet west of North 231st Street West.

The purpose of this vacation is to construct a detached garage and bring an existing carport into compliance. The standard street side zoning setback in the RR Rural Residential District is 20 feet. The property was platted with a street side setback that exceeds the standard zoning setback. If approved, the setback for a portion of the north side of the lot would be 10 feet, which exceeds the street side zoning setback by 10 feet.

Based upon information available prior to the public hearing and reserving the right to make recommendations based on subsequent comments from County Public Works, Water & Sewer, Fire, franchised utility representatives and other interested parties, Planning Staff has listed the following considerations (but not limited to) associated with the request to vacate the portion of the platted 30-foot street side setback. The Miles Country Club Estates 2nd Addition was recorded on June 30, 1968.

- A. That after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, the MAPC makes the following findings:
1. That due and legal notice has been given by publication as required by law, in the Wichita Eagle, of notice of this vacation proceeding one time December 29, 2016, which was at least 20 days prior to this public hearing.
 2. That no private rights will be injured or endangered by vacating the described portion of the platted street side yard setback and that the public will suffer no loss or inconvenience thereby.
 3. In justice to the petitioner, the prayer of the petition ought to be granted.

Conditions (but not limited to) associated with the request:

- (1) Provide Planning Staff with a legal description of the approved vacated portion of the platted setback in a Word document, via e-mail, to be used on the Vacation Order. This must be provided to Planning prior to the case going to Board of County Commissioners for final action.
- (2) Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility and at the expense of the applicant. Provide Planning with any needed easements dedicated by separate instrument with original signatures. These conditions must be completed prior to the case going to Council for final action.
- (3) All improvements shall be according to County Standards and at the applicant's expense.
- (4) Per MAPC Policy Statement #7, all conditions shall be completed within one year of approval by the MAPC or the vacation request will be considered null and void. All vacation requests are not complete until the Wichita City Council or the Sedgwick County Board of County Commissioners have taken final action on the request and the Vacation Order and all required documents have been provided to the City, County and/or franchised utilities and the necessary documents have been recorded with the Register of Deeds.
