STAFF REPORT

MAPC: January 23, 2025
DAB IV: February 3, 2025

<u>CASE NUMBER:</u>	CON2024-00280 (City)
<u>OWNER/APPLICANT:</u>	Father David Marstall (Applicant)
<u>REQUEST:</u>	Conditional Use for Day Care, General
<u>CURRENT ZONING:</u>	SF-5 Single-Family Residential District
<u>SITE SIZE:</u>	6.2 acres
<u>LOCATION:</u>	Generally located on the northwest and southwest corners of South Seneca Street and West Regal Street (2801 South Seneca Street & 1121 West Regal Street).
<u>PROPOSED USE:</u>	Day Care, General.
<u>RECOMMENDATION:</u>	Approve with conditions.

BACKGROUND: The applicant is requesting a Conditional Use to allow Day Care, General as a use on properties zoned SF-5 Single-Family Residential District (SF-5). The properties are generally located on the northwest and southwest corners of South Seneca Street and West Regal Street (2801 South Seneca Street & 1121 West Regal Street). The sites are developed with a church and a parochial school associated with the church.

The Unified Zoning Code defines Day Care as “an establishment that provides care, protection and supervision for individuals on a regular basis away from their primary residence for less than 24 hours per day.” Day Care, General as a Day Care center that provides care, protection and supervision for more than 12 individuals at any one time, including those under the supervision or custody of the Day Care provider and those under the supervision or custody of employees, or a Day Care center for 12 or fewer individuals at any one time that is not operated as a Home Occupation. Day Cares are subject to Section III-D.6.i, Supplementary Use Regulations of the UZC, which state the following conditions:

1. Compliance with state regulations: Day Care Centers shall comply with all applicable state regulations.
2. Compliance with Home Occupation standards: When located in the residence of the care provider, in a residential zoning District, Day Care Centers shall comply with the general Home Occupation standards of Sec. IV-E.3 of the UZC.
3. Outdoor play in residential areas: Outdoor play shall be limited to the hours of 7:30 a.m. to 6:30 p.m. if located within 100 feet of a Lot containing a Dwelling Unit.
4. Parking and loading: Provisions of Parking Spaces in Sec. IV-A.4 may be provided by shared Parking when the Day Care is located within an existing Church or Place of Worship, however, the Day Care shall provide convenient off-street loading facilities as required in Sec. IV-A.14.

The applicant is requesting Conditional Uses for two (2) separate properties. The 2801 South Seneca Street address is where the Day Care would mainly be located. However, there would be times when the children in the Day Care would be led across the street to the school location at 1121 West Regal Street. Therefore, the applicant is requesting the Day Care, General use for both locations.

The Supplementary Use Regulations found in Section III-D.6.i(4) state that off-street parking requirements can be met when the Day Care is located within an existing Church or Place of Worship by a shared parking agreement. However, convenient off-street loading facilities must be provided for.

Because Day Care, General is considered a civic use and not a residential use, it will be required to provide screening and landscaping along the north property line of the 2801 South Seneca Street property, where it is adjacent to the SF-5 zoning district. Sufficient screening currently exists along the west property line. Planning staff believes that the distance from the school building at 1121 West Regal Street to the adjacent residentially zoned properties to the west is sufficient for not requiring additional screening or landscaping because it is at least 150 feet away. The requirement for screening is a six- to eight-foot solid fence, and the requirement for landscaping is one shade tree or two ornamental trees per forty linear feet of street yard.

The character of the neighborhood is residential and commercial. Property to the north of the 2801 South Seneca Street property, across West 27th Street South, is zoned SF-5 and GO General Office District (GO) and is developed with an office building and associated parking lot. Properties to the east, across South Seneca Street, are zoned LC Limited Commercial District (LC) and are developed with a restaurant, a vehicle repair center, a grocery store, and office buildings. Properties to the south of the 1121 West Regal Street property, are zoned SF-5 and are developed with single-family dwellings. Properties to the west of both properties are zoned SF-5 and are developed with single-family dwellings.

CASE HISTORY: On August 26, 1951, the 2801 Seneca Street property was platted as part of the Martinson's 10th Addition. In 1973, the property received a Variance (BZA30-73) to reduce the required

front yard setback from 25 feet to zero feet for the purpose of off-street parking. In 1979, the property received a use variance (BZA34-79) to permit a Day Care center on property zoned AA Single-Family Dwelling District. This new action will not contradict the BZA from 1979 but will overlay it and permit a Day Care for the school property.

On April 6, 1954, the 1121 West Regal Drive property was platted as part of the Iva Fultz Garden Addition replat. In 1964, the property received a variance (BZA54-64) to reduce the front setback from 25 feet to zero feet and the side yard setbacks from 12.5 feet to zero feet. In 2015, the property received a Sign Code Adjustment (BZA2015-00020) to permit a monument sign with an electronic message board for an institutional use on property zoned SF-5.

ADJACENT ZONING AND LAND USE:

NORTH:	SF-5, GO	Office building, Parking lot
SOUTH:	SF-5	Single-family residences
EAST:	LC	Restaurant, Office building, Vehicle Repair, grocery
WEST:	SF-5	Single-family residences

PUBLIC SERVICES: The subject properties are currently accessed by South Seneca Street, which is a two-way, four-lane arterial street with sidewalks on both sides. The 2801 South Seneca Street property is also accessed by West 27th Street South on the north side, which is a two-way local street with no sidewalks. Both sites are also accessed by West Regal Street, a two-lane local street with no sidewalks on either side. This site is already served by municipal services, such as water and sewer. Wichita Transit serves the site with stops directly in front of the 2801 South Seneca Street property.

CONFORMANCE TO PLANS/POLICIES: The requested zone change is in conformance with the following plans:

Community Investments Plan: The requested Conditional Use is in conformance with the *Community Investments Plan*. The *Plan*'s Wichita Future Growth Concept Map identifies the site as appropriate for Commercial uses, which the *Plan* describes as areas that reflect the full diversity of commercial development intensities and types typically found in a large urban municipality. Convenience retail, restaurants, small offices, and personal service uses are located in close proximity to, and potentially mixed with, residential uses. While the *Plan*'s Future Growth Concept Map does not address public or civic uses within the Commercial category, as Day Cares are defined in the Unified Zoning Code, the intensity of the proposed use is akin to a light commercial setting.

Wichita: Places for People Plan: The requested Conditional Use is in conformance with the *Wichita: Places for People Plan*. The proposed Day Care at this site aligns with Strategy 3 of the *Plan*, which aims to "improve the economic feasibility of commercial / service uses and the markets necessary to support them." Granting the Conditional Use improves the site's economic feasibility of the site by utilizing the existing building.

RECOMMENDATION: Based on the information available prior to the public hearing, staff recommends the application be **APPROVED**, subject to the following conditions:

1. All requirements of Article III, Section III.D.6.i of the Unified Zoning Code shall be met.
2. The site shall be developed in conformance with the approved site plan.
3. The site shall be developed and operated in compliance with all federal, state, and local rules and regulations.
4. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of

the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

The staff's recommendation is based on the following findings:

1. **The zoning uses and character of the neighborhood:** The character of the neighborhood is residential and commercial. Property to the north of the 2801 South Seneca Street property, across West 27th Street South, is zoned SF-5 and GO General Office District (GO) and is developed with an office building and associated parking lot. Properties to the east, across South Seneca Street, are zoned LC Limited Commercial District (LC) and are developed with a restaurant, a vehicle repair center, a grocery store, and office buildings. Properties to the south of the 1121 West Regal Street property, are zoned SF-5 and are developed with single-family dwellings. Properties to the west of both properties are zoned SF-5 and are developed with single-family dwellings.
2. **The suitability of the subject property for the uses to which it has been restricted:** The properties are zoned SF-5 Single-Family District and are developed with a church and a parochial school. The Unified Zoning Code (UZO) allows a Conditional Use for Day Care, General within residential zoning districts.
3. **Extent to which removal of the restrictions will detrimentally affect nearby property:** Staff anticipates that approval of the Day Care center would result in an increase in traffic and noise in the immediate area. However, the site is currently used as a church and a school and has ample parking and locations for drop-off/pick-up. The site with the school should not see a discernible increase in traffic or noise to the area.
4. **Length of time subject property has remained vacant as zoned:** The properties are currently used as a church and a parochial school.
5. **Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant:** Approval of the request may bring increased economic viability to the area, which is generally a gain to the public. Denial of the request may result in the loss of use and enjoyment for the applicant.
6. **Conformance of the requested change to the adopted or recognized Comprehensive Plan:** The requested Conditional Use is in conformance with the *Community Investments Plan* and the *Wichita: Places for People Plan* as discussed in the staff report.
7. **Impact of the proposed development on community facilities:** Staff does not anticipate the requested Conditional Use to have a significant impact on community facilities. Municipal services, such as water and sewer, already serve the site.
8. **Opposition or support of neighborhood residents:** At the time the staff report was prepared, staff did not receive any comments from the public on the requested Conditional Use.
