RE: CON2025-00067 –A Conditional Use request to allow an Accessory Apartment in the City on property zoned SF-5 Single-Family Residential District, generally located on the west side of North Indiana Avenue and within one-block north of East 8th Street North (933 N. Indiana Ave.).

Dear Applicant,

At its regular meeting on **May 22, 2025**, the Wichita-Sedgwick County Metropolitan Area Planning Commission considered the above captioned request. The action of the MAPC was to recommend **APPROVAL** the above captioned request, subject to the following conditions:

1. The Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family residence (located at 933 N. Indiana Ave.), and the ownership shall not be divided or sold as a condominium.
2. Development of the site shall be in conformance with the approved site plan.
3. The appearance of the accessory structure shall be compatible with the main dwelling unit and with the character of the neighborhood.
4. The water and sewer provided to the Accessory Apartment shall not be provided as separate services from the main dwelling. electric, gas, telephone and cable television utility service may be provided as separate utility services.
5. The applicant shall obtain all applicable permits including, but not limited to building, health, and zoning. This will include submission of plans for review and approval by the MABCD for the Accessory Apartment.
6. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

Property owners opposed to the application may file with the City Clerk a signed, written protest of the MAPC's recommendation. (Unsigned e-mails are not considered to be legal protests.) To be effective, the protest must be filed by 5:00 p.m. on June 5, 2025. In order to be considered a "valid" petition, the signatures must reflect the correct and entire ownership of the property, the property must be at least partially located within 200 feet of the property for which the application was filed, and must be submitted to the City Clerk by **June 5, 2025, at 5:00 p.m.**

If protested, this application is scheduled to be presented to the Wichita City Council on **Tuesday, July 1, 2025**, beginning at 9:00 a.m. If it is not protested, than the MAPC decision is final.

Sincerely,

STAFF REPORT

MAPC: May 22, 2025

DAB I: June 9, 2025

<u>CASE NUMBER:</u>	CON2025-00067 (City)
<u>APPLICANT/AGENT:</u>	Gregory Whitman (Applicant) / Sally Monroe, Filiberto Pinon III (Agents)
<u>REQUEST:</u>	Conditional Use to allow an Accessory Apartment
<u>CURRENT ZONING:</u>	SF-5 Single-Family Residential District
<u>SITE SIZE:</u>	0.226 acres
<u>LOCATION:</u>	Generally located one-block west of North Cleveland Avenue and within two-blocks north of East Mudrock Avenue (933 N. Indiana Ave.)
<u>PROPOSED USE:</u>	Accessory Apartment
<u>RECOMMENDATION:</u>	Approve with conditions

BACKGROUND: The applicant is requesting a Conditional Use to allow an Accessory Apartment on a property zoned SF-5 Single-Family Residential District (SF-5). The 0.226-acre property is generally located one-block west of North Cleveland Avenue and within two-blocks north of East Mudrock Avenue (933 N. Indiana Ave.). The subject site is currently developed with a single-family residential dwelling, and a detached garage. The applicant is requesting the Conditional Use to convert the detached garage into the Accessory Apartment.

A dwelling unit is defined by the Unified Zoning Code as “a building or portion of a building that contains living facilities for not more than one family and that includes provisions for sleeping, cooking, eating, and sanitation.” Section IV.A.4 of the UZC requires one parking space per Accessory Apartment and one space for a single-family residence. The detached garage/proposed Accessory Apartment would be in the rear of the property. There is ample space in the driveway and in front of the detached garage/proposed Accessory Apartment for the required two parking spaces. This will meet the requirements of the UZC.

The subject detached garage was constructed in 1940 either on, or very near, the rear property line abutting the alley, which may mean it is non-conforming. If built today, an accessory structure like a detached garage would have to be built at least 10 feet from the centerline of a platted alley. The alley is 15.75 feet wide, which means a new accessory structure would have to be built with a minimum setback of 2.13 feet from the rear property line. According to the site plan, it does not appear that there are going to be any additions or structural changes to the detached garage. The UZC permits remodeling of an existing non-conforming structure without a Variance, provided that if it is damaged or destroyed up to 50 percent of the fair market value, it would not be able to be rebuilt without some type of action to address the non-conformity. No action is needed at this point.

Accessory Apartments are subject to Section III-D.6.a of the Unified Zoning Code (UZC), which states:

1. A maximum of one Accessory Apartment may be allowed on the same lot as a single-family dwelling unit and may be within the main building, within an accessory building or constructed as an accessory building.
2. The appearance of an Accessory Apartment shall be compatible with the main dwelling unit and with the character of the neighborhood.
3. The Accessory Apartment shall remain accessory to and under the same ownership as the principal Single-Family Dwelling Unit, and the ownership shall not be divided or sold as a condominium.
4. The water and sewer service provided to the Accessory Structure shall not be provided as separate service from the main dwelling. Electric, gas, telephone and cable television utility service may be provided as separate utility services.

The character of the neighborhood is mostly low-density residential. Properties to the north, south, east, and west are zoned SF-5. Property to the north is undeveloped. Property to the south is developed with a single-family dwelling. Property to the east is developed as the Dunbar Learning Center. Properties to the west are developed with a single-family dwelling and undeveloped, respectively.

CASE HISTORY: On November 4, 1910, the site was platted as part of B. D. Allen’s Addition. No other zoning cases are recorded on this site.

ADJACENT ZONING AND LAND USE:

North:	SF-5	Undeveloped
South:	TF-3	Single-family dwelling
East:	TF-3	Learning Center
West:	SF-5	Single-family dwelling and undeveloped

PUBLIC SERVICES: The subject site has access to North Indiana Avenue, which is a paved, two-way local street with sidewalks on both sides. All municipal services and utilities, such as water and sewer,

already serve this site. Wichita Transit provides regular bus service within two-blocks east, with bus stops along North Cleveland Avenue.

CONFORMANCE TO PLANS/POLICIES: The proposed use is in conformance with the *Community Investments Plan*. The *Community Investments Plan's* 2035 Wichita Future Growth Concept Map identifies the site as "Residential", which the Plan defines as "*areas that reflect the full diversity of residential development densities and types typically found in a large urban municipality. The range of housing densities and types includes, but is not limited to, single-family detached homes, semi-detached homes, zero lot line units, patio homes, duplexes, townhouses, apartments and multi-family units, condominiums, mobile home parks, and special residential accommodations for the elderly (assisted living, congregate care and nursing homes).*" An Accessory Apartment is appropriate for this property.

The requested zoning aligns with the goals of the *Wichita: Places for People Plan*. The *Wichita: Places for People Plan* provides recommendations for urban infill development in the Established Central Area (ECA). The subject site is located within the ECA. In general, the ECA is envisioned as "a place for people - a place that provides for the movement of people - on foot, on bike and through transit - in balance with automobiles."

- **Strategies:** The Plan recommends strategies to help guide the community in their actions to create walkable places within Wichita. The requested zoning aligns with Strategy 5, "Provide a diversity of housing options to attract new residents and allow existing residents to remain in the ECA." The small-scale development would provide housing options that otherwise might not be immediately available in the area.

Central Northeast Area Plan Update: The requested Conditional Use is in conformance with the Central Northeast Area Plan Update. This plan identifies housing as a "Top Issue." Two goals under this issue state: "Rehabilitating and repairing existing housing stock" and "Revitalization of the area should focus on rehabilitation, not demolition of existing homes." The applicant intends to convert the existing detached garage into an Accessory Apartment, which is an example of adding housing to the area without demolishing the existing housing stock.

RECOMMENDATION: Based upon the information available at the time the report was prepared, staff recommends the Conditional Use be **APPROVED**, subject to the following conditions:

1. The Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family residence (located at 933 N. Indiana Ave.), and the ownership shall not be divided or sold as a condominium.
2. Development of the site shall be in conformance with the approved site plan.
3. The appearance of the accessory structure shall be compatible with the main dwelling unit and with the character of the neighborhood.
4. The water and sewer provided to the Accessory Apartment shall not be provided as separate services from the main dwelling. electric, gas, telephone and cable television utility service may be provided as separate utility services.
5. The applicant shall obtain all applicable permits including, but not limited to building, health, and zoning. This will include submission of plans for review and approval by the MABCD for the Accessory Apartment.
6. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

1. The zoning, uses and character of the neighborhood: The character of the neighborhood is mostly low-density residential. Properties to the north, south, east, and west are zoned SF-5. Property to the north is undeveloped. Property to the south is developed with a single-family dwelling. Property to the east is developed as the Dunbar Learning Center. Properties to the west are developed with a single-family dwelling and undeveloped, respectively.
2. The suitability of the subject property for the uses to which it has been restricted: The subject site is currently zoned SF-5 Single-Family Residential, which permits an Accessory Apartment by Conditional Use approval under Section III-D.6.a of the Unified Zoning Code.
3. Extent to which removal of the restrictions will detrimentally affect nearby property: Staff does not anticipate that approval of the request will generate significant amounts of additional traffic. The conditions of approval should minimize any possible significant negative impacts.
4. Length of time subject property has remained vacant as zoned: The subject property is not vacant. The property has been developed with a single-family residential dwelling since 1913 and the detached garage was constructed in 1940.
5. Relative gain to the public health, safety and welfare as compared to the loss in value or the hardship imposed upon the applicant: It is not anticipated that the requested Conditional Use will have a significant detrimental effect on the public health, safety, or welfare. Denial of the application may result in a loss of enjoyment for the applicant.
6. Conformance of the requested change to the adopted or recognized Comprehensive Plan and policies: The proposed use is in conformance with the *Community Investments Plan*, the *Wichita: Places for People Plan*, and the *Central Northeast Area Plan Update* as discussed in the report.
7. Impact of the proposed development on community facilities: Staff expect that there will be minimal significant impact on public roads, water, and sewer service.
8. Opposition or support of neighborhood residents: At the time the staff report was prepared, staff has not received any public comment regarding the request.
