**STAFF REPORT**  
MAPC: November 13, 2025  
DAB I: December 1, 2025

**CASE NUMBER:** CON2025-00149 (City)

**APPLICANT/AGENT:** Hope Enterprise, Inc. (Applicant)

**REQUEST:** Conditional Use to allow an Accessory Apartment

**CURRENT ZONING:** TF-3 Two-Family Residential District

**SITE SIZE:** 0.16 acres

**LOCATION:** Generally located within one-block north of East 13<sup>th</sup> Street North, within one-quarter mile east of North Grove Avenue (1430 N. Estelle Ave.)

**PROPOSED USE:** Accessory Apartment

**RECOMMENDATION:** Approve with conditions

Addition. There are no other zoning cases associated with the subject site.

**ADJACENT ZONING AND LAND USE:**

North:	TF-3	Single-family dwelling
South:	TF-3	Single-family dwelling
East:	TF-3	Single-family dwelling
West:	TF-3	Single-family dwelling

**PUBLIC SERVICES:** The subject site has access to North Estelle Avenue, a two-way local street with no sidewalks. All municipal services and utilities, such as water and sewer, already serve this site. Wichita Transit provides regular bus service within one-block south along East 13<sup>th</sup> Street North.

**CONFORMANCE TO PLANS/POLICIES:** The proposed use is in conformance with the *Community Investments Plan*. The *Community Investments Plan*'s 2035 Wichita Future Growth Concept Map identifies the site as "Residential", which the Plan defines as "areas that reflect the full diversity of residential development densities and types typically found in a large urban municipality. The range of housing densities and types includes, but is not limited to, single-family detached homes, semi-detached homes, zero lot line units, patio homes, duplexes, townhouses, apartments and multi-family units, condominiums, mobile home parks, and special residential accommodations for the elderly (assisted living, congregate care and nursing homes)."

The requested Conditional Use is in conformance with the *Wichita: Places for People Plan*. The *Plan* outlines a list of Strategies intended to help guide the community in their actions to create walkable places within Wichita. Strategy 5 aims to "Provide a diversity of housing options to attract new residents and allow existing residents to remain in the ECA." The subject site will create an additional unit of housing, adding to the range of housing in the immediate area. Strategy 6 aims to "Encourage infill and redevelopment that is contextual to the environment in which it is occurring." The proposed Accessory Apartment creates infill housing amongst other residential buildings.

The requested Conditional Use is in conformance with the *Central Northeast Area Plan Update*. Initiative 8.1 of the *Plan*, calls to "promote new home construction on vacant lots." The initiative's goal is to ensure that the rate of new home construction exceeds the housing demolition rate in the Central Northeast Area. The requested Conditional Use would add additional housing on a lot which recently had a single-family dwelling constructed. Overall, it is increasing the number of dwelling units within the plan area.

**RECOMMENDATION:** Based upon the information available at the time the report was prepared, staff recommends the Conditional Use be **APPROVED**, subject to the following conditions:

1. The Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family residence (located at 1430 North Estelle Avenue), and the ownership shall not be divided or sold as a condominium.
2. Development of the site shall be in conformance with the approved site plan.
3. The appearance of the accessory structure shall be compatible with the main dwelling unit and with the character of the neighborhood.
4. The water and sewer provided to the Accessory Apartment shall not be provided as separate services from the main dwelling. electric, gas, telephone and cable television utility service may be provided as separate utility services.
5. The applicant shall obtain all applicable permits including, but not limited to building, health, and zoning. This will include submission of plans for review and approval by the MABCD for the Accessory Apartment.
6. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII
