STAFF REPORT
MAPC: April 24, 2025
DAB I: May 5, 2025

CASE NUMBER: CON2025-00053 (City)

APPLICANT/AGENT: Christina Rieth (Applicant)

REQUEST: Conditional Use to allow an Accessory Apartment

CURRENT ZONING: SF-5 Single-Family Residential District

SITE SIZE: 0.16 acres

LOCATION: Generally located on the northwest corner of East Waterman Street and South Rutan Avenue (255 South Rutan Avenue).

PROPOSED USE: Accessory Apartment

RECOMMENDATION: Approve with conditions.

home parks, and special residential accommodations for the elderly (assisted living, congregate care and nursing homes).” An Accessory Apartment is appropriate for this property.

The requested zoning aligns with the goals of the *Wichita: Places for People Plan*. The *Wichita: Places for People Plan* provides recommendations for urban infill development in the Established Central Area (ECA). The subject site is located within the ECA. In general, the ECA is envisioned as “a place for people - a place that provides for the movement of people - on foot, on bike and through transit - in balance with automobiles.”

- Strategies: The Plan recommends strategies to help guide the community in their actions to create walkable places within Wichita. The requested zoning aligns with Strategy 5, “Provide a diversity of housing options to attract new residents and allow existing residents to remain in the ECA.” The small-scale development would provide housing options that otherwise might not be immediately available in the area.

RECOMMENDATION: Based upon the information available at the time the report was prepared, staff recommends the Conditional Use be **APPROVED**, subject to the following conditions:

1. The Accessory Apartment shall remain accessory to and under the same ownership as the principal single-family residence (located at 255 South Rutan Avenue), and the ownership shall not be divided or sold as a condominium.
2. Development of the site shall be in conformance with the approved site plan.
3. The appearance of the accessory structure shall be compatible with the main dwelling unit and with the character of the neighborhood.
4. The water and sewer provided to the Accessory Apartment shall not be provided as separate services from the main dwelling. electric, gas, telephone and cable television utility service may be provided as separate utility services.
5. The applicant shall obtain all applicable permits including, but not limited to building, health, and zoning. This will include submission of plans for review and approval by the MABCD for the Accessory Apartment.
6. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VIII of the Unified Zoning Code, may, with the concurrence of the Planning Director, declare that the Conditional Use is null and void.

This recommendation is based on the following findings:

1. The zoning, uses and character of the neighborhood: The character of the neighborhood is mostly low-density residential with several single-family dwellings and duplexes nearby and some multi-family dwellings. Property to the north is zoned SF-5 and is developed with a single-family dwelling. Property to the east, across South Rutan Avenue, is zoned TF-3 and is developed with a multi-family dwelling. Property to the south, across East Waterman Street, is zoned TF-3 and is developed with a duplex. Property to the west is zoned SF-5 and is developed with a single-family dwelling.
2. The suitability of the subject property for the uses to which it has been restricted: The subject site is currently zoned SF-5 Single-Family Residential, which permits an Accessory Apartment by Conditional Use approval under Section III-D.6.a of the Unified Zoning Code.
3. Extent to which removal of the restrictions will detrimentally affect nearby property: Staff does not anticipate that approval of the request will generate significant amounts of additional traffic. The conditions of approval should minimize any possible significant negative impacts.
