RE: CUP2015-37 - City Administrative Adjustment to DP-207 to remove a prohibition of moving and flashing signs in LC Limited Commercial zoning, generally located west of North Rock Road and north of East 13th Street North (1551 N. Rock Road).

Dear Applicants:

We received and reviewed your request for an administrative adjustment to the above-referenced community unit plan, DP-207, the Wichita Racquet Club Commercial Community Unit Plan (CUP). We understand that you wish to remove General Provision 6.b. which prohibits moving and flashing signs.

On the basis of our review, we find that adjusting the CUP in the manner stated in the above paragraph is consistent with the approved CUP and will not have an adverse effect on the CUP or on adjacent properties, nor will it be a substantial deviation of the original plan.

Our signatures below indicate that the CUP shall be adjusted as stated in this letter. This CUP adjustment shall not be deemed to alter any other provisions of the CUP except as expressly stated herein.

The "Development Application" signs may now be removed from the property. Please submit four (4) copies of the revised CUP drawing within 60 days in order for this adjustment to be considered final.

We understand that you wish to increase the height of a sign on the property from 25 to 30 feet.
