TO BOARD OF COUNTY COMMISSIONERS

**PROPOSED AGENDA ITEMS :** **SCZ-0738** - Zone change from "SF-20" Single-Family Residential to "SF-6" Single-Family Residential, located west of 127th Street East, 1/2 mile north of Central.

**PRESENTED BY:** Marvin S. Krout, Director of Planning

**PROPOSED AGENDA DATE:** April 23, 1997

**COMMISSION DISTRICT #1**

---

MAPC Recommendation: Approve, subject to platting within 1 year (12-0).

Staff Recommendation: Approve, subject to platting within 1 year.

Background/Discussion: The applicant is requesting a zone change from "SF-20" Single-Family Residential to "SF-6" Single-Family Residential located on 34.4 acres located west of 127th Street East, approximately 1/2 mile north of Central. The application area was the subject of a Planned Unit Development (PUD-1) proposal that was met with substantial neighborhood opposition throughout the last half of 1996 before the case was withdrawn by the applicant earlier this year.

The land uses in the area are predominately residential, with the exception of the church to the south and the golf course/clubhouse complex to the northeast, across 127th Street. The application area is currently zoned "SF-20" Single-Family Residential, as is property to the west (K-96 Expressway), south (East Point Church of Christ), and northeast (Crestview Country Club). Property adjoining the application area to the north is zoned "SF-6" and is being developed as a single-family subdivision (Whitetail). To the east is a condominium complex (The Villas) with "LC" Limited Commercial zoning, as well as a residential area with "SF-6" Single-Family Residential zoning (Crestridge Addition).

After limited discussion of this matter during the Planning Commission hearing, the MAPC voted (12-0) to approve the request as recommended by staff.

Recommended Action: 1. Adopt the findings of fact of the Metropolitan Area Planning Commission and approve the zone change subject to the condition of platting; adopt the resolution and authorize the chairman to sign; and instruct the

Planning Department to withhold publication until the plat has been recorded with the Register of Deeds; or

2. Return to the Planning Commission for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on first hearing).
