

RECOMMENDATION FROM METROPOLITAN AREA PLANNING COMMISSION
TO BOARD OF COUNTY COMMISSIONERS

PROPOSED AGENDA ITEMS : SCZ-0781 - Zone Change from "SF-20" Single-Family to "LC" Limited Commercial on property generally located at the southeast corner of 53rd Street North and Ridge Road.

PRESENTED BY: Marvin S. Krout, Director of Planning

PROPOSED AGENDA DATE: March 3, 1999

COMMISSION DISTRICT #4

MAPC Recommendation: Approve, subject to platting within 1 year (9-0).

Staff Recommendation: Approve, subject to platting within 1 year.

Background/Discussion: The applicants are seeking a rezoning of this property to permit the establishment of a limited vehicle repair business. This category of repair business, which requires repairs to be conducted indoors and does not permit paint or body shops, is first permitted in the "LC" Limited Commercial district. The applicant presently operate a limited vehicle repair business as a rural home occupation nearby, but has outgrown the facility at the home and no longer qualifies as a home occupation. The applicant's intention is to remain in the general area since the majority of the client base is from this same area.

The MAPC heard this request on January 14, 1999, and unanimously voted to recommend approval of the request, subject to platting within one year. There was no one present at the MAPC hearing to speak in opposition to this request. Staff had received one phone call from a neighboring property owner that expressed concerns about possible groundwater contamination from the business.

Following the public hearing, a total of eight protest petitions were submitted to the County Clerk's office on this request. These represent properties that total 52.06 percent of the notification area. This results in the case being subject to a valid protest petition and will require at least four of the five votes in favor to approve the request.

- Recommended Action:
1. Adopt the findings of fact of the Metropolitan Area Planning Commission and approve the zone change subject to the condition of platting within one; adopt the resolution and authorize the Chairman to sign; and instruct the Planning Department to withhold publication of the resolution until the plat has been recorded with the Register of Deeds; or
 2. Return to the Planning Commission for reconsideration.

(An override of the Planning Commission's recommendation requires a 2/3rd majority vote of the membership of the governing body on first hearing).
