Dear Mr. & Mrs. Berger:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission, Thursday, September 12, 1985, the above-captioned vacation request was considered. The action of the Committee was to recommend that this vacation be approved subject to:

- A. The vacation order shall only vacate the blanket drainage easement platted on the south 328.32 feet of the subject lot.
- B. The Vacation Order shall retain "access control except for one (1) opening" to 13th Street across the south line of the subject lot.
- C. The applicant shall grant, to the owners of Lots 5, 6, 7 and 8, Block 1, Westlink Village Sixth Addition, a cross-lot drainage easement. This is needed in order to continue to allow for surface drainage from Lots 5, 6, 7 and 8 to the drainage channel to the west of Lot 9.
- D. The applicant shall grant, by separate instrument, a 20-foot wide storm sewer easement to cover the storm sewer pipe located on the northern portion of the subject lot.
- E. The applicant shall grant, by separate instrument, the west two feet of the east 10 feet of the subject lot as additional utility easement.
- F. Any relocation or reconstruction of utilities necessitated by this vacation shall be at the sole expense of the applicant.

This matter will be forwarded to the Planning Commission for its consideration on Thursday, September 19, 1985 at 1:30 p.m.

If you have any questions, please call.
