(District #4)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of a utility easement.

MAPC Recommendation: Approve vacation of a utility easement. (unanimous)

Background: The applicant wishes to construct a fence or wall type structure not allowed within an easement. With the legal description and vacation order excepting out those portions of this easement also included in several east-west easements, City Engineering and the Utility Advisory Subcommittee indicate that the vacation should have no adverse impacts. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Action: Close public hearing; approve vacation; authorize Mayor to sign the Vacation Order; and record certified copy of Order; recording costs to be billed to:
