Re: V-1724 - Request to vacate an area of a platted utility
easement

Dear Mr. Higgins:

At the regular meeting of the Subdivision Committee of the Metro-
politan Area Planning Commission, Thursday, July 25, 1991, the
above-captioned vacation request was considered. The action of
the Committee was to recommend that this vacation be approved
subject to:

- A. Any relocation or reconstruction of utilities necessitated by
this vacation shall be at the sole expense of the applicant.
- B. The additions to the west and east have each provided a 20
foot utility easement for sanitary sewer. Lot 1, of Westex
Addition provides 10 feet and the Lot to the south provides
the additional 10 feet to make the full, standard 20 feet.
Lot 2 of Westex only has a 12 foot easement. The applicant
shall grant an additional 8 foot utility easement by separate
instrument adjacent to the existing 12 foot easement along
the south line of this site. This dedication shall be sub-
mitted to the Planning Department for review and subsequently
recording with this vacation case.
- C. The legal description for the vacation will be revised to
except out the south 20 feet of utility easement.

This matter will be forwarded to the Planning Commission for its
consideration on Thursday, August 1, 1991 at 1:30 p.m.

If you have any questions, please call.

Sincerely,

Don Losew
