Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: PUBLIC HEARING V-1723 - REQUEST TO VACATE A PORTION OF A DRAINAGE DEDICATION LOCATED NORTH OF PAWNEE AND EAST OF ROCK ROAD.
(District #3)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of drainage dedication.

MAPC Recommendation: Approve vacation of drainage dedication.
(unanimous)

Background: In order to allow for additional parking and possible expansion of a convenience store the applicant has requested the use of a portion of a drainage dedication. City Engineering has agreed to the vacation providing the applicant constructs a retaining wall around the area being vacated, and until that time, the area be retained temporarily for drainage. If the wall is not constructed within a specified time, the area will revert back as a drainage dedication by way of a contingent dedication. The applicant was also required to submit a dedication of complete access control for the frontage of the vacated area adjacent to Rock Road. The area is being retained as a temporary drainage dedication by a condition of the vacation order. Construction of the retaining wall has been guaranteed by a letter-of-credit. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Action: Accept the contingent dedication and maintenance covenant, and the dedication of abutter's access rights; close the public hearing, approve vacation; authorize the Mayor to sign the Vacation Order; record certified copy of Vacation Order, contingent dedication and dedication of access; receive and file the letter-of-credit; recording costs to be billed to:
