Re: V-1678 - Request to vacate access control on the east side of West Street, south of Harry

Dear Mr. Ruffin:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission, Thursday, August 23, 1990, the above-captioned vacation request was considered. The action of the Committee was to recommend that this vacation be approved subject to:

- A. Any relocation or reconstruction of utilities necessitated by this vacation shall be at the sole expense of the applicant.
- B. All proceedings shall be without cost to the City or any utility company.
- C. The applicant shall submit a dedication by separate instrument for "access control except for 2 openings" along Harry Street with the following conditions:
 - Complete access control across the west 40 feet of the north line along Harry.
 - Complete access control for the remaining portion along Harry, allowing for the 2 approaches as requested by the applicant, those being 1 opening beginning 40 feet from West Street and the 2nd opening approximately 115 feet from the first opening.
- D. "Access control except for 1 opening" shall be vacated along West Street. The vacation order shall retain "complete access control" over the north 75 feet, allowing 2 openings for the remaining portion to the south.
- E. The applicant shall guarantee closure of the existing driveway to Harry Street, which will subsequently be within the area of complete access control (This driveway is being relocated on property adjacent to the east.)

- F. Prior to scheduling for City Council review, the applicant will need to show he has acquired 60 feet of the parcel to the east in order to justify the circulation plan requested for the approach off Harry and the additional opening to West Street.
- G. The applicant should be advised that the requested south opening onto West Street is intended to be for exiting only and should be signed accordingly.

This matter will be forwarded to the Planning Commission for its consideration on Thursday, August 30, 1990 at 1:30 p.m.

If you have any questions, please call.

Sincerely,
