Agenda Report # _____

TO: Mayor and City Council Members

SUBJECT: PUBLIC HEARING V-1790 REQUEST TO VACATE A BUILDING SETBACK
AND UTILITY EASEMENT
(District #5)

INITIATED BY: Metropolitan Area Planning Department *W Krout*

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of the building setback and utility easement.

MAPC Recommendation: Approve vacation of the building setback and utility easement. (unanimous)

Background: The vacation is being requested to allow for a better location and orientation of planned multi-family housing units located adjacent to a golf course. In terms of the utility easement both City Engineering and the utility representatives of the Subdivision Committee indicate that no utilities are involved in the easement. The Subdivision Committee also indicates that no adverse effects should result from vacation of the associated building setback. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Action: Close the public hearing, approve the vacation; authorize the Mayor to sign the Vacation Order; and record certified copy of the Vacation Order; recording costs to be billed to:
