Agenda Report # _____

TO: Mayor and City Council

SUBJECT: PUBLIC HEARING V-1964 REQUEST TO VACATE STREET RIGHT-OF-WAY LOCATED IN AN AREA SOUTH OF TAFT AND WEST OF ST CLAIR
(District #6)

INITIATED BY: Metropolitan Area Planning Department 

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of street right-of-way.

MAPC Recommendation: Approve vacation of street right-of-way. (unanimous)

Background: The vacation was initiated by Friends University and is intended to accommodate the expansion of a parking lot on the campus. This case was begun in May of 1996. The request was approved by both the Subdivision Committee and the MAPC, subject to several conditions. The last of these conditions was finally met this fall, which allowed the case to proceed forward.

Included with this vacation are dedications of an additional utility easement in part of Taft Avenue and a drainage easement in part of St. Clair Avenue. Both these were conditions of approval by the Subdivision Committee and MAPC. Also, there are the restrictive covenants that tie the lots together so they cannot be sold separately in the future. This is done rather than require a replat of the property.

No members of the public addressed the MAPC in opposition to this request.

Recommendations/Actions: Close the public hearing; approve the vacation; authorize the Mayor to sign the Vacation Order; accept the dedications of a utility easement and a drainage easement; and record the certified copy of the Vacation Order, the utility easement, the drainage easement and the Restrictive Covenants; recording costs to be billed to:
