Agenda Report # _____

TO: Mayor and City Council

SUBJECT: PUBLIC HEARING V-1962 REQUEST TO VACATE A UTILITY
EASEMENT NORTH OF CENTRAL AND EAST OF 119TH STREET
WEST
(District # 5)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

Staff Recommendation: Approve vacation of utility easement.

MAPC Recommendation: Approve vacation of utility easement. (11-1)

Background: The applicant desires to vacate a 10-foot portion of a 20-foot utility easement in his back yard to allow for the construction of a swimming pool. According to City Engineering the sewer was located in a 10-foot easement along the front of the property and the utility representatives of the Subdivision Committee indicated that their utilities were not located within the requested vacation area and that the remaining 10-foot easement is sufficient to service the utilities located within the easement. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions. The reason given for the one dissenting vote was that the commissioner was opposed to any development or redevelopment in a flood plain.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Actions: Close the public hearing, approve the vacation;
authorize the Mayor to sign the Vacation Order;
and record the certified copy of the Vacation Order;
recording costs to be billed to: 150029-2909
