City Council Meeting  
August 13, 1996**

Agenda Report # \_\_\_\_\_

**TO:** Mayor and City Council

**SUBJECT:** PUBLIC HEARING V-1956 REQUEST TO VACATE UTILITY EASEMENTS  
AND STREET RIGHTS-OF-WAY LOCATED NORTH OF CENTRAL AND  
WEST OF MAIN STREET.  
(District # 6)

**INITIATED BY:** Metropolitan Area Planning Department

**AGENDA ACTION:** Planning

-----  
**Staff Recommendation:** Approve vacation of utility easements and streets right-of-way.

**MAPC Recommendation:** Approve vacation of utility easements and streets right-of-way.  
(unanimous)

**Background:** To provide for the expansion of the Sedgwick County adult local detention facility and county parking garage, the county is requesting the vacation of two utility easements and several sections of street rights-of-way. The county has made arrangements for the relocation of any public and private utilities impacted by the vacation. The county is also granting a substitute utility easement and a drainage easement as requested by City Engineering and the utilities. These vacations including a number of vacations from previous years, will in essence allow the county to consolidate the area between Central to Pine and Main to Wichita Street (railroad right-of-way) into a unified building site. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

**Legal Considerations:** The City Clerk needs to certify as to proper notification and no filing of written protest.

**Recommendations/Actions**

Accept the utility and drainage easements (since these easements have already been recorded, originals may be returned to the County); close the public hearing, approve the vacation; authorize the Mayor to sign the vacation Order; and record the certified copy of the Vacation Order; cost to be billed to 150029-2909
