Staff Recommendation: Approve vacation of utility easements.

MAPC Recommendation: Approve vacation of utility easements. (unanimous)

According to City Engineering and the Utility Representatives of the Subdivision Committee the easements being requested for vacation are unused and may be eliminated. The vacation request has been reviewed and approved by the Planning Commission, subject to conditions.

Legal Considerations: The City Clerk needs to certify as to proper notification and no filing of written protest.

Recommendations/Actions: Close the public hearing; approve the vacation of the utility easements; authorize the Mayor to sign the Vacation Order; record a certified copy of the Vacation Order; recording costs to be billed to: 150029-2909

NOW on this 11th day of July, 1995, comes on for hearing the petition for vacation filed by Jerry R. Burlie, praying for the vacation of the following described utility easements, to-wit:

- Those easements as platted on Lots 31, 32, 33 and 34, A. Verne Roberts Addition, Sedgwick County, Kansas and more specifically described as:
  - The eight (8) foot easement platted along the south line of Lots 31, 32, and 33 and 34;
  - The ten (10) foot easement as platted along the common lot lines of Lots 31 and 32, Lots 32 and 33, and Lots 33 and 34 and which extend from the south line of these lots to a point 100 feet south of the north line of these lots;
  - The ten (10) foot, east-west easement centered on a line running parallel to and 100 feet north of the south line of Lots 31, 32, and 33 and which extends from the west line of Lot 31 to the east line of Lot 33.

The City Council, after being duly and fully informed as to fully understand the true nature of this petition and the propriety of granting the same, makes the following findings:

1. That due and legal notice has been given by publication as required by law, by publication in the Daily Reporter of notice of this vacation proceeding for consecutive weeks on 6-30-95 & 7-7-95.
2. No private rights will be injured or endangered by the vacation of the above-described utility easements, and the public will suffer no loss or inconvenience thereby.
3. In justice to the petitioner(s), the prayer of the petition ought to be granted.
