Agenda Report # _____

TO: Mayor and City Council

SUBJECT: V-2205 - REQUEST TO VACATE A PORTION OF A BUILDING SETBACK LOCATED NORTH OF 37TH STREET NORTH AND WEST OF SENECA (4033 N. AMIDON). (District VI)

INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

M. K. K. H. B. H.

Staff Recommendation: Approve vacation of a portion of a building setback.

MAPC Recommendation: Approve vacation of a portion of a building setback. (unanimous)

Background: The applicant is requesting to vacate 20 feet of a 30-foot platted building setback along the front property line for the construction of a room addition. Approval of this vacation also reduces the zoning setback for this lot; a variance approved by the Board of Zoning Appeals is not required (per UZC Section III-E.2.3(4)).

No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation, adopting the findings of fact that are incorporated in the Vacation Order, subject to the requirement that the appearance of the room addition be similar in style and color to the existing home; the roofline of the room addition may be lower in elevation than the existing roofline, but it shall have the same pitch and angle as the existing roof. No written protests have been filed.

Legal Considerations: A certified copy of the Vacation Order will be recorded with the Register of Deeds.

Recommendations/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and approve the Vacation Order, and authorize the Mayor to sign.
