Re: **VAC2001-00006**- Request to vacate 20 foot sewer easement and a portion of the complete access control generally located at the southwest corner of Kessler and Central Avenue.

Dear Mr. Kelley:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on Thursday, February 15, 2001, the above-captioned vacation request was considered. The action of the Committee was to recommend that this vacation be approved subject to:

- A. The applicant shall line up the proposed drive, onto Kessler, with the existing drive of the residence (zoned SF-6) across from it to ensure that headlights from the applicant's development not shine into the front window(s) of the residence.
- B. The applicant shall submit a guarantee of the abandonment of the sewer line within the 20-foot sewer easement the applicant request vacation.
- C. A temporary easement shall be dedicated by separate instrument until relocation of the sanitary sewer line is complete.
- D. Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility of the applicant.

This matter is set for public hearing by the Metropolitan Area Planning Commission on Thursday, February 22, 2001 at 12:00 p.m. in the Planning Conference Room, Tenth Floor, City Hall, 455 North Main, Wichita, Kansas. If you have any questions, please call at 268-4421.

Sincerely,

- Easement Vacation;** The 20 foot sewer easement granted to the de Paul Addition to Wichita, Sedgwick County, Kansas that begins along the easterly line of Lot 1, Block A, in said de Paul Addition.
- LOCATION:** Generally located on the southwest corner of Kessler and Central
- REASON FOR REQUEST:** For future development of this site.
- CURRENT ZONING:** Subject property is zoned NR Neighborhood Retail. Properties to the north and east are zoned SF-6 Single Family Residential. Property to the south is zoned GO General Office and property to the west is zoned LC Limited Commercial.

VICINITY MAP:

The applicant is requesting to vacate a 20' Sewer Easement and a portion of Complete Access Control in Lot 1 to adjust driveway access on this site. The applicant proposes Access Control further away from the Central - Kessler Intersection.

- A. City Public Works needs to comment on the acceptability of this vacation and if any substitute easements and/or dedications should be required, especially of water and/or sewer lines. Traffic has noted a drive across the street (zoned SF-6 Single Family Residential) from the proposed access and recommends that the proposed drive be lined up with the existing drive (zoned SF-6) to ensure that the headlights from exiting traffic (from the applicant's property) does not shine into the front window of the residence.
- B. Utility Representatives need to comment on the acceptability of this vacation and any requirements.
- C. Any relocation or reconstruction of utilities made necessary by this vacation shall be the responsibility of the applicant.
- D. All improvements shall be according to City Standards.
