30-FOOT SETBACK GENERALLY LOCATED NORTHEAST OF THE
31ST STREET NORTH – AMIDON AVENUE INTERSECTION, 3225
COOLIDGE.
(District VI)

INITIATED BY: Metropolitan Area Planning Department 

AGENDA: Planning

Background: The applicant is requesting vacation of a portion of the platted 30-foot setback of Lot 15, Block 1, Wilfred E Wheelers Replat, 3225 Coolidge. The Wilfred E Wheelers Replat Addition was recorded 03-14-1950.

Analysis: The proposed carport will encroach 14-feet, with a width of 12-feet into the platted 30-foot setback. The UZC has a minimum 25-foot setback for the SF-5 zoning district. Planning Staff recommends approval to vacate only that portion of the 30-foot setback as described in the legal description and that a Restrictive Covenant be recorded with the Register of Deeds. The Restrictive Covenant would allow the carport to encroach into the platted front setback as described in the metes and bound description. The covenant would be in effect for the time when vehicles with disability tags and bound description. The covenant would be in effect for the time when vehicles with disability tags would be using the carport. When the vehicles with disability tags are not being used, the carport becomes an illegal nonconforming structure and must be demolished within 60 days of the end of its use for vehicles with disability tags.

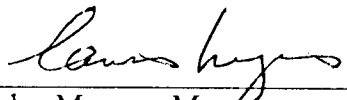

No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation, adopting the findings of fact that are incorporated in the Vacation Order. No written protests have been filed.

Legal Considerations: A certified copy of the Vacation Order will be recorded with the Register of Deeds and file a Restrictive Covenant with the Register of Deeds.

Recommendation/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and approve the Vacation Order, and authorize the necessary signatures.

2. No private rights will be injured or endangered by the vacation of the above-described portion of the platted setback, and the public will suffer no loss or inconvenience thereby.
3. In justice to the petitioner(s), the prayer of the petition ought to be granted.
4. No written objection to said vacation has been filed with the City Clerk by any owner or adjoining owner who would be a proper party to the petition.
5. The vacation of a portion of the platted setback described herein should be approved.

IT IS, THEREFORE, BY THE CITY COUNCIL, on this 3rd day of June 2003, ordered that the above-described a portion of a platted setback is hereby vacated. IT IS FURTHER ORDERED that the City Clerk shall certify a copy of this order to the Register of Deeds of Sedgwick County.
