Staff Recommendation: Deny

MAPC Recommendation: Approve (unanimous)

Background: The applicant is requesting consideration for the vacation of a “stub” of right-of-way named Parkdale Street, as dedicated on the Evergreen Addition. Parkdale was intended to be a residential collector road that would provide access for this large residential area to 21<sup>st</sup> Street North and 29<sup>th</sup> Street North.

The development of the Northwestern Christian Church Addition (as a church) has shut out the immediate possibility of Parkdale extending south to 21<sup>st</sup> Street North as well as to Maize Road. The other properties abutting the Evergreen Addition on its south side and between the subdivision and 21<sup>st</sup> Street North are developed as large lot single family residential. This combination of the residential and church developments would prevent the possibility of immediate access to 21<sup>st</sup> Street North. There are no utilities in this section of Parkdale that is proposed to be vacated.

The owners of the properties would protest the possible relocation of dedicated right-of-way if Parkdale is vacated. This family had sold the property that became the Northwest Christian Church Addition, and as part of the sale stipulated that the church not allow a road to go through the property to 21<sup>st</sup> North.

The Planning Staff recommended denial of this request to vacate this portion of Parkdale, which would provide future access to 21<sup>st</sup> Street North. Despite the protest of the owners to the south, staff believed that when that property eventually develops for more intensive use, the connection to 21<sup>st</sup>

Street for the Evergreen homeowners will be desirable. Creating a local street system with connectivity of this type is stated as a design standard in the Subdivision Regulations and in the Comprehensive Plan.

The Subdivision Committee, at their August 15, 2002 meeting recommended approval of the request to vacate this portion of Parkdale, based on the inability to bring the road through the platted church lot.

No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation, adopting the findings of fact that are incorporated in the Vacation Order. No written protests have been filed.

Legal Considerations: A certified copy of the Vacation Order will be recorded with the Register of Deeds.

Recommendations/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and approve the Vacation Order, and authorize the necessary signatures or follow the recommendation of the Staff and deny the application to vacate this portion of Parkdale.
