INITIATED BY: Metropolitan Area Planning Department

AGENDA ACTION: Planning

M. Kraut

Staff Recommendation: Approve.

MAPC Recommendation: Approve. (unanimous)

Background: The applicant, Independent School, proposes to build a section of metal bleachers that will extend partially (the northwest section) or entirely (the southeast section) into the platted 25-foot setback for a length of 170-foot, per the legal description and the exhibit. The bleachers will be generally located on the south side of the existing football field. The bleachers will not encroach into the abutting 50-foot drainage easement that runs parallel to the south side of the setback. Currently the drainage easement is paved and serves as a private drive and parking.

No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation, adopting the findings of fact that are incorporated in the Vacation Order. No written protests have been filed.

Legal Considerations: A certified copy of the Vacation Order will be recorded with the Register of Deeds.

Recommendations/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and approve the Vacation Order, and authorize the necessary signatures.
