City Council Meeting

Agenda Report No. _____

TO: Mayor and City Council
SUBJECT: VAC2004-00027 Request to vacate pedestrian access and utility easement located south of 45th Street North and west of Rock Road, at the end of Burton Circle. (District II)
INITIATED BY: Metropolitan Area Planning Department *JLS*
AGENDA: Planning (Consent)

Staff Recommendation: Approve.

MAPC Recommendation: Approve. (unanimous)

Background: The applicant is requesting consideration to vacate a 10-foot wide portion of 20-feet of pedestrian access that abuts the west side of Lot 10, Block B, the Willowbend North Estates Second Addition. The Willowbend North Estates Second Addition was recorded with the Register of Deeds on January 8, 2004.

Anaylsis: . The applicant wishes to remove the abutting pedestrian access use of the platted easement from the west side of Lot 10, Block B, the Willowbend North Estates Second Addition. The current 20-foot of pedestrian access is part of a platted 20-foot drainage and utility and pedestrian access easement. There is sewer in the easement. Only 10-feet of the pedestrian access use abutting the west side of Lot 10 will be removed. The easement will still retain 20-feet for drainage and utility use. The pedestrian access links Blocks A & B, to Reserve A, all in the Willowbend North Estates Second Addition. According to the plat text, Reserve A is reserved for open space, lakes, landscapes, berms, sidewalks, drainage purposes and utilities. Reserve A, "shall be owned and maintained by the Homeowners Association for the addition." Reserve A abuts a railroad right-of-way on its south side and a golf course on its east side. Although proposed as a future greenway, the rail line is currently an active line used in part to connect activity between Wichita and El Dorado in Butler County. The proposed Vacation would leave 10-feet of pedestrian access (abutting Lot 9, Block B, the Willowbend North Estates Second Addition) onto Reserve A. No one spoke in opposition to this request at the Metropolitan Area Planning Commission's (MAPC) advertised public hearing and the MAPC voted to approve the Vacation. No written protests have been filed.

Financial Considerations: None

Legal Considerations: A certified copy of the Vacation Order will be recorded with the Register of Deeds.

Recommendation/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and approve the Vacation Order, and authorize the necessary signatures.
