Agenda Report No. _____

TO: Mayor and City Council

SUBJECT: VAC2004-00016 Request to vacate a portion of platted street right-of-way and platted setbacks generally located northwest of the Harry Street – 127th Street East intersection, more specifically north of the Melody Lane – East Lynne Avenue intersection.
(District II)

INITIATED BY: Metropolitan Area Planning Department *JIS byrl*

AGENDA: Planning (Consent)

Staff Recommendation: Approve.

MAPC Recommendation: Approve. (unanimous)

Background: The applicants are requesting consideration to vacate the approximately 411-foot long (x) 61-foot wide portion of the Melody Street ROW as dedicated in the East Lynn Addition, located north of the Melody Lane – East Lynne Avenue intersection and abutting the east side of Lot 5, East Lynn Addition and abutting the west side of Lot 6, East Lynn Addition. The East Lynn Addition was recorded October 3, 1953.

Analysis: Melody Lane currently dead-ends into Lot 54, Woodland Lakes Estates 3rd Addition; the Woodland Lakes Estates 3rd Addition was recorded April 4, 2003. The recording of this subdivision eliminated the possibility of extending Melody Lane north. There is sewer and a manhole in the Melody Lane ROW, but no water. Storm Water has requested that the ROW be retained as a drainage easement. The applicants are also requesting that the platted 25-foot setbacks that run parallel to Melody Lane and the east side Lot 5 and the west side of Lot 6, both in the East Lynne Addition, be vacated and replaced with the current UZC's interior side setback for the "SF-5" zoning district, which is 6-foot. Reversion rights of the vacated Melody Lane ROW would go to the applicants. No one spoke in opposition to this request at the MAPC's advertised public hearing, and the MAPC voted to approve the vacation. No written protests have been filed.

Financial Considerations: None

Legal Considerations: A certified copy of the Vacation Order will be recorded with the Register of Deeds, retain all of the vacated ROW as easement, vacate the described platted setbacks and replace with the Unified Zoning Code's setbacks for this zoning district and reversion rights are to the applicants

Recommendation/Actions: Follow the recommendation of the Metropolitan Area Planning Commission and approve the Vacation Order, and authorize the necessary signatures.
