RE: SUB 2001-79 -- One-Step Final Plat of Villa Christi Second Addition

At the regular meeting of the Metropolitan Area Planning Commission on August 23, 2001, the above captioned plat was considered. The action of the Planning Commission was to approve the plat as recommended by the Subdivision Committee, subject to the conditions stated in our letter dated August 17, 2001.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council and/or County Commission for consideration:

1. Submission of the fully completed and signed tracing of the subdivision, along with four (4) copies, to the Metropolitan Area Planning Department.
2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.
3. Subdivision regulations now require a detailed Lot Grading Plan be submitted to Engineering prior to the tracing being released. This applies to all multi-lot, residential developments.
4. Submission of a disk to the Planning Department detailing the final plat in digital format in Autocad. This will be used by the City and County GIS Departments.

If you have any questions concerning this matter, please call.

Wichita, KS 67203

RE: SUB 2001-79 -- One-Step Final Plat of Villa Christi Second Addition

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on Thursday, August 16, 2001, the above captioned plat was considered. The action of the Committee was to approve the final plat, subject to the following:

### STAFF COMMENTS:

- A. Municipal services are available to serve the site.
- B. This plat will be subject to approval of the associated zone change and any related conditions of such a zone change.
- C. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- D. **City Engineering** needs to comment on the status of the applicant's drainage plan. *The drainage plan is approved.*
- E. *The plat needs to be revised to reflect the access controls which were approved per the PUD. One access opening per lot is permitted.*
- F. In accordance with the Sidewalk Ordinance, as a multi-family/office subdivision abutting a non-arterial street, a sidewalk shall be constructed along Second Street. A Sidewalk Certificate shall be provided assuring sidewalks will be built concurrently with development.
- G. A PUD Certificate shall be submitted to MAPD prior to City Council consideration, identifying the approved PUD (referenced as P.U.D. #2001-00003) and its special conditions for development on this property.

- H. The note on the face of the plat shall be corrected to indicate that this Addition is subject to the conditions of the Villa Christi Planned Unit Development PUD 2001-00003.
- I. The surveyor's certification shall be corrected to reference the Villa Christi 2nd Addition.
- J. The setbacks for Lot 2 should be revised to conform with the approved setbacks per the PUD (35 feet side and rear yard).
- K. The Applicant is reminded that a platting binder is required with the final plat. Approval of this plat will be subject to submittal of this binder and any relevant conditions found by such a review.
- L. The platting text shall include language that a drainage plan has been developed for the plat and that all drainage easements, rights-of-way, or reserves shall remain at established grades or as modified with the approval of the applicable City or County Engineer, and unobstructed to allow for the conveyance of stormwater.
- M. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations. (Water service and fire hydrants required by Article 8 for fire protection shall be as per the direction and approval of the Chief of the Fire Department.)
- N. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- O. To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (Phone 316-946-4556) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- P. The applicant is advised that various State and Federal requirements (specifically but not limited to the Army Corps of Engineers, Kanopolis Project Office, Rt. 1, Box 317, Valley Center, KS 67147) for the control of soil and wind erosion and the protection of wetlands may impact how this site can be developed. It is the applicant's responsibility to contact all appropriate agencies to determine any such requirements.
- Q. The owner of the subdivision should be aware of the fact that the development of any subdivision greater than five (5) acres in size may require an NPDES Storm Water Discharge Permit from the Kansas Department of Health and Environment in Topeka. Further, on all construction sites, the City of Wichita requires that best management practices be used to reduce pollutant loadings in storm water runoffs.
- R. Perimeter closure computations shall be submitted with the final plat tracing.
- S. Recording of the plat within thirty (30) days after approval by the City Council and/or County Commission.
- T. The representatives from the utility companies should be prepared to comment on the need for any additional utility easements to be platted on this property.

SUB 2001-79 -- One-Step Final Plat of Villa Christi Second Addition  
August 17, 2001  
Page 3

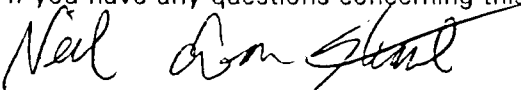

U. The applicant is reminded that a disk shall be submitted with the final plat tracing to the Planning Department detailing this plat in digital format in AutoCAD. This will be used by the City and County GIS Department.

If this plat requires the guaranteeing of improvements, a list of the five methods which have been adopted as being acceptable is available through the Planning Department. Certificates, which are required if petitions are submitted, and forms for the bond and Irrevocable Letter of Credit are also available from this office.

This case will be forwarded to the Planning Commission on Thursday, August 23, 2001, at 1:30 p.m.

The enclosed "marked" copy of the plat is for your information and files.

If you have any questions concerning this matter, please call.
