City of Wichita
City Council Meeting
November 6, 2007

TO: Mayor and City Council Members

SUBJECT: CUP2006-45 (DP-302) and ZON2006-44 – Extension of time to complete the platting requirement for the Krug South Commercial Community Unit Plan and a zone change from “SF-5” Single-Family Residential to “LC” Limited Commercial. Generally located on the southwest corner of 21st Street North and 143rd Street East. (District II)

INITIATED BY: Metropolitan Area Planning Department *LS*

AGENDA ACTION: Planning (Consent)

Staff Recommendation: Approve extended platting deadline of January 9, 2009

Background: On January 9, 2007, the City Council approved the creation of DP-302 Krug South CUP and a zone change from “SF-5” Single-Family Residential to “LC” Limited Commercial, subject to the condition of platting the property within one year. The applicant’s attached letter states that the owner is studying options and costs for alternative improvement concepts, holding discussions with potential purchasers and preparing alternative land plans. Therefore, the applicant requests a one year platting extension to January 9, 2009.

Analysis: Staff recommends that an extension of time to complete platting requirements be granted. The City Council may deny the request for an extension of time to complete platting; however, denying the extension would declare the CUP and zone change null and void and would require reapplication and rehearing if the property owner still desired a CUP and zone change.

Financial Considerations: None.

Goal Impact: Promote Economic Vitality and Affordable Living.

Legal Considerations: No legal documents are required to enact the granting of the platting extension. The granting of a platting extension is indicated via letter to the applicant noting the extended platting deadline as granted by the City Council.

Recommendations/Actions: Approve extended platting deadline of January 9, 2009.
