RAILROAD R/W

State of Kansas }
County of Sedgwick } SS

I, Donald C. Armstrong, a Registered Land Surveyor in said state and county do hereby certify that on this 12th day of August, 1998, I have surveyed and plotted TRINITY ACADEMY an Addition to Sedgwick County, Kansas, into a Lot and Block, the same being described as follows: THE NORTHEAST QUARTER OF SECTION 10, TOWNSHIP 27 SOUTH, RANGE 2 EAST OF THE SIXTH PRINCIPAL MERIDIAN, SEDGWICK COUNTY, KANSAS, EXCEPT BEGINNING AT THE NORTHWEST CORNER OF SAID NORTHEAST QUARTER, THENCE SOUTH 2656 FEET TO THE SOUTHWEST CORNER OF SAID NORTHEAST QUARTER, THENCE EAST 360.2 FEET, THENCE NORTH 2656.2 FEET TO A POINT IN THE NORTH LINE OF SAID NORTHEAST QUARTER, SUCH POINT BEING 854.1 FEET EAST OF THE PLACE OF BEGINNING, THENCE WEST 854.1 FEET TO THE PLACE OF BEGINNING, AND EXCEPT THE EAST 579 FEET OF SAID NORTHEAST QUARTER, AND EXCEPT BEGINNING AT THE NORTHWEST CORNER OF SAID NORTHEAST QUARTER, THENCE EAST 859.10 FEET ON AN ASSUMED BEARING OF N. 90°00'00\"/>

Know all men by these presents that I, the undersigned, have caused the land described in the surveyors certificate to be plotted into a Lot and Block to be known as "TRINITY ACADEMY" an Addition to Sedgwick County, Kansas. The utility easements, as indicated, for construction and maintenance of public utilities are hereby granted. The streets are hereby dedicated to and for the use of the public. All obstructions of access to and from 21st Street over and across the north line of this plot, as shown, are hereby granted to the appropriate governing body, provided however, that Lot 1 shall have access to 21st Street of One opening to be determined by the appropriate engineer. Minimum Elevation is as indicated.

OWNERS:

William R. Neth, 8/12/98

Re: S/D 9750 - Final Plat of TRINITY ACADEMY ADDITION

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on **September 11, 1997**, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of **September 5, 1997**.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council and/or County Commission for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.
3. Subdivision regulations now require a detailed Lot Grading Plan be submitted to Engineering prior to the tracing being released. This applies to all multi-lot and residential developments.

Please call if you have any questions.

Sincerely,

Keith Gooch

Re: S/D 97-50- ONE-STEP FINAL PLAT OF TRINITY ACADEMY ADDITION

Gentlemen:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on Thursday, September 4, 1997, the above captioned plat was considered. The action of the Committee was to approve the plat, subject to the following:

- A. The applicants shall guarantee the extension of sanitary sewer to serve the lot being platted. *This agreement will be with the City of Wichita.*
- B. The applicants should guarantee the extension of City of Wichita water to serve the lots being created, and provide an Outside-the-City Service Agreement.
- C. The applicants shall guarantee any drainage improvements required by the platting of this property.
- D. The applicants shall guarantee construction of the storm sewers required by this plat.
- E. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- F. County Engineering needs to comment on any improvements needed to 21st Street N. and the number of acceptable access points to this street. Staff initially recommended additional access points to 21st Street. After a meeting on August 26, staff and the applicants are looking at some other options which are to be discussed at the September 4 meeting. *The applicants should guarantee paving of Wawona from 21st to the school's entrance. A guarantee for a left turn bay and light at the opening of Wawona on 21st shall be provided, as well as, a left and right turn bay for the opening east of Wawona.*

County Engineering asks that the lagoon shown on this property be taken care of, as it belongs to the exception area and not to Trinity Academy. The applicants indicate they will

provide the exception area with public sewer service or develop a lagoon on their site. The applicants shall obtain the Health Department's approval for on-site systems. The Health Department asks that the site have sanitary sewer extended to the location. If this is not possible, then either land shall be deeded to this property from the school or the lagoon shall be moved.

- G. The applicants shall submit a copy of the instrument which establishes the Shell Pipeline Easement on this property. The applicants' agent shall determine any setback requirements from the pipeline by researching the text of the pipeline agreement. If a setback from the pipeline easement is provided for in the pipeline easement agreement, it shall be indicated on the face of the plat.
- H. For the pipeline easement on this property, the final plat shall include in the labeling of the easement the name of the company benefiting from the easement agreement.
- I. The representatives from the utility companies should be prepared to comment on the need for utility easements to be platted on this property.
- J. Perimeter closure computations shall be submitted with the final plat tracing.
- K. Recording of the plat within thirty (30) days after approval by the City Council and/or County Commission.
- L. The applicants are advised that various State and Federal requirements [specifically, but not limited to, the Army Corps of Engineers, Kanopolis Project Office, Rt. 1, Box 30, Marquette, KS 67464 (913-546-2294) or Kansas department of Wildlife and Parks, P.O. Box 317, Valley Center, KS 67147] for the control of soil and wind erosion and the protection of wetlands may impact how this site can be developed. It is the applicants' responsibility to contact all appropriate agencies to determine any such requirements.
- M. The representatives from County Engineering should be prepared to comment on the status of the applicants' drainage plan.

County Engineering has approved the drainage plan. However, County Engineering requests that floodway reserves be platted as should a minimum pad elevation be worked with County Engineering.
- N. The applicants' engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- O. The applicants shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision regulations. (Water service and fire hydrants required by Article 8 for fire protection shall be as per the direction and approval of the Chief of the Fire Department.)
- P. Based on the platting binder, 1996 property taxes are still outstanding. Before the plat is

released for recording, proof shall be provided indicating that all applicable property taxes have been paid.

- Q. This site is within three miles of the Wichita City Limits and will be forwarded to the City Council. Therefore, the Mayor and City Clerk's signature block shall be added to the plat before the final tracing is submitted.
- R. The spelling of Wawona (Wawnona) should be corrected on the final tracing.

If this plat requires the guaranteeing of improvements a list of the five methods which have been adopted as being acceptable is available through the Planning Department. Also, certificates which are required if petitions are submitted and forms for the bond and irrevocable Letter of Credit are also available from this office.

The enclosed "marked" copy of the final plat is for your information and files.

This matter will be forwarded to the Planning Commission for its consideration on Thursday, September 11, 1997 at 1:30 p.m. If you have any questions concerning this matter, please call.

Sincerely,

Keith Gooch
