

ANDERSON PROPERTIES ADDITION

WICHITA, SEDGWICK COUNTY, KANSAS

final tracing
revised 12-2-98

STATE OF KANSAS, COUNTY OF SEDGWICK, SS:

I, Craig Moehring, a Registered Land Surveyor in said State and County, do hereby certify that I have surveyed and platted "ANDERSON PROPERTIES ADDITION", to Wichita, Sedgwick County, Kansas, into a Lot, and a Block, the same being accurately set forth on the accompanying plat, and described as being a replat of Lot 1, Block A, F.O. Moore Second Addition, to Wichita, Sedgwick County, Kansas, together with a tract of land described as beginning 463 feet North and 177.07 feet East of the Southwest Corner of the Southeast Quarter of Section 12, Township 27 South, Range 1 West of the 6th P.M., Sedgwick County, Kansas; thence East 103.43 feet; thence South 140 feet; thence West 103.43 feet; thence North 140 feet to beginning.

Existing easements being vacated by virtue of K.S.A. 12-512 (b).

Craig Moehring

KANSAS
LAND SURVEYOR
KS. L.S. # 875

Know all men by these presents that we, the undersigned, owners of the land as above set forth in the Surveyor's Certificate, have caused the same to be surveyed and platted into a Lot, and a Block, to be known as "ANDERSON PROPERTIES ADDITION", to Wichita, Sedgwick County, Kansas. Easements for the construction and maintenance of public utilities are hereby granted. All abutter's rights of access to and from 13th Street, over and across the West 85.5 feet of the South line of Lot 1, Block A, are hereby granted to the City of Wichita.

ANDERSON PROPERTIES, L.L.C.

RE: S/D-9888 -- One-Step Final Plat of ANDERSON PROPERTIES ADDITION

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on September 24, 1998, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of September 18, 1998.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council and/or County Commission for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.
3. Subdivision regulations now require a detailed Lot Grading Plan be submitted to Engineering prior to the tracing being released. This applies to all multi-lot and residential developments.
4. Submission of a disk to the Planning Department detailing this plat. This will be by the City and County GIS Departments.

In regards to Item "C" (as shown on the letter dated September 18, 1998) City Engineering has requested an Off-site Drainage Agreement.

Please call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Neil Evan Strahl". The signature is fluid and cursive, with the first name "Neil" being the most prominent.

S/D 98-88 - One-Step Final Plat of ANDERSON PROPERTIES ADDITION

Gentlemen:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on Thursday, September 17, 1998, the above captioned plat was considered. The action of the Committee was to recommend that this plat be approved subject to the following:

- A. Existing municipal services appear to be available to serve this site. City Engineering needs to verify if any other additional guarantees are required. *A guarantee is needed for the abandonment of an existing sanitary sewer across the lot.*
- B. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning department for recording.
- C. City Engineering needs to comment on the status of the applicant's drainage plan. *The drainage plan is approved. The issues regarding drainage need to be resolved with City Engineering before the MAPC meeting.*
- D. Traffic Engineering needs to comment on the access controls. The final plat denotes complete access control except for one opening along 13th St. North. The preliminary plat indicates two existing access openings, one along 13th St. North and one along Sheridan.
- E. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations. (Water service and fire hydrants required by Article 8 for fire protection shall be as per the direction and approval of the Chief of the Fire Department.)
- F. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.

- G. To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (phone 316-729-0102) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- H. The applicant is advised that various State and Federal requirements [specifically but not limited to the Army Corps of Engineers, Kanopolis Project Office, Rt. 1, Box 317, Valley Center, KS 67147] for the control of soil and wind erosion and the protection of wetlands may impact how this site can be developed. It is the applicant's responsibility to contact all appropriate agencies to determine any such requirements.
- I. Perimeter closure computations shall be submitted with the final plat tracing.
- J. Recording of the plat within thirty (30) days after approval by the City Council and/or County Commission.
- K. The representatives from the utility companies should be prepared to comment on the need for any additional utility easements to be platted on this property.
- L. The applicant is reminded that a disk shall be submitted with the final plat tracing to the Planning Department detailing this plat. This will be used by the City and County GIS Department.

If this plat requires the guaranteeing of improvements a list of the five methods which have been adopted as being acceptable is available through the Planning Department. Also, certificates which are required if petitions are submitted and forms for the bond and irrevocable Letter of Credit are also available from this office.

The enclosed "marked" copy of the final plat is for your information and files.

This matter will be forwarded to the Planning Commission for its consideration on Thursday, September 24, 1998, at 1:30 p.m. If you have any questions concerning this matter, please call.

Sincerely,

Neil Evan Strahl, Senior Planner
Current Plans Division
