I, Babar M. Khan, A Licensed land surveyors in aforesaid county and state, do hereby certify that I have surveyed and platted 'Smithmoor Eight Addition' to Wichita, Sedgwick County, Kansas and that the accompanying plat is a true and correct exhibit of property surveyed, described as follows:

A tract of land located in the West Half of Northeast Quarter of Section 33, Township 27 South, Range 2 East of the Sixth Principal Meridian, Sedgwick County, Kansas, described as follows:

Beginning at the Northeast corner of Lot 12, Block 4, Smithmoor Fifth Addition to Wichita, Sedgwick County, Kansas; thence bearing S 30°17'40" E, along the easterly line of said Smithmoor Fifth Addition, a distance of 127.50 feet; thence continuing along the East line of said Smithmoor Fifth Addition at a bearing of S 00°00'00" W, a distance of 654.81 feet to the Southeast corner of said Smithmoor Fifth Addition; thence bearing N 90°00'00" E, a distance of 278.00 feet; thence bearing N 00°00'00" E, a distance of 732.11 feet; thence bearing N 30°17'40" W, a distance of 221.00 feet to a point on the Southeastly line of Smithmoor Third Addition to Wichita, Sedgwick County, Kansas; thence bearing S 59°42'20" W along the Southeastly line of said Smithmoor Third Addition, a distance of 168.00 feet; thence bearing S 30°17'40" E a distance of 20.00 feet; thence bearing S 59°42'20" E, along the Southeastly line of said Smithmoor Third Addition, a distance of 111.03 feet to the point of beginning.

All easement, right-of-ways, previously granted are hereby vocated in accordance with K.S.A. 12-512(b), as amended.

This survey was completed on 6-24-1998.

BABAR M. KHAN, R.L.S. / 985

Know all men by these presents, That we, the undersigned owners of the land above set forth in the Surveyor's certificate, have caused the land to be surveyed and platted into lots, blocks, and streets, the same to be known as 'Smithmoor Eight Addition' to Wichita, Sedgwick County, Kansas'. Easements as indicated for the construction and maintenance of public utilities are hereby granted. The streets are hereby dedicated to and for the use of the public.

Re: S/D 98-47 - Final Plat of SMITHMOOR 8TH ADDITION

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on June 11, 1998, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of June 5, 1998.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council and/or County Commission for consideration:

1. Submission of the fully completed and signed tracing of the subdivision, along with five (5) copies, to the Metropolitan Area Planning Department.
2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.
3. Subdivision regulations now require a detailed Lot Grading Plan be submitted to Engineering prior to the tracing being released. This applies to all multi-lot and residential developments.
4. Submission of a disk to the Planning Department detailing this plat. This will be used by the City and County GIS Departments.

Re: S/D 98-47 - Final Plat of SMITHMOOR 8TH ADDITION

Gentlemen:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on Thursday, June 4, 1998, the above captioned plat was considered. The action of the Committee was to approve the final plat, subject to the following:

- A. The applicant shall guarantee the extension of City water and sanitary sewer to serve the lots being platted. The sanitary sewer guarantee shall be with the County for service through the Four Mile Creek sanitary sewer system. City Engineering has required a respread agreement.
- B. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning department for recording.
- C. City Engineering needs to comment on the status of the applicant's drainage plan. The drainage plan is approved. No guarantee will be required. An off-site drainage agreement is needed.
- D. The applicant shall guarantee the paving of the proposed interior street. This guarantee shall include the installation of a temporary cul-de-sac for termination of the street. This dedication can either be provided by the plat or by separate instrument, with the vacation of the temporary cul-de-sac being effective upon the extension of the street southward.
- E. City Fire Department needs to comment on the street length (875 feet), which exceeds the 600 foot limit imposed by the Subdivision regulations. Fire Department approves the length of the stub street. A rock base for a turnaround on either Lot 1 will be required.
- F. City Fire Department needs to comment on the acceptability of the street name. The street names are approved.

S/D 98-47 -- Final Plat of SMITHMOOR 8TH ADDITION

June 5, 1998 - Page 2

- G. The applicant shall submit a covenant which provides for four (4) off-street parking spaces per dwelling unit on each lot which abuts a 58-foot street. The covenant shall inventory the affected lots by lot and block number and shall state that the covenant runs with the land and is binding on future owners and assigns.
- H. The final tracing shall include "Richard Lopez" as the MAPC Chair.
- I. The distance denoted for the north line of Lot 12 Block 1 does not correspond with the legal description in the platting binder.
- J. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations. (Water service and fire hydrants required by Article 8 for fire protection shall be as per the direction and approval of the Chief of the Fire Department.)
- K. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- L. To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (phone 316-729-0102) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- M. The applicant is advised that various State and Federal requirements [specifically but not limited to the Army Corps of Engineers, Kanopolis Project Office, Rt. 1, Box 317, Valley Center, KS 67147] for the control of soil and wind erosion and the protection of wetlands may impact how this site can be developed. It is the applicant's responsibility to contact all appropriate agencies to determine any such requirements.
- N. The owner of the subdivision should be aware of the fact that the development of any subdivision greater than five (5) acres in size may require an NPDES Storm Water Discharge Permit from the Kansas Department of Health and Environment in Topeka. Further, on all construction sites, the City of Wichita requires that best management practices be used to reduce pollutant loadings in storm water runoffs.
- O. Perimeter closure computations shall be submitted with the final plat tracing.
- P. Recording of the plat within thirty (30) days after approval by the City Council and/or County Commission.
- Q. The representatives from the utility companies should be prepared to comment on the need for any additional utility easements to be platted on this property. **KG&E requests additional easements which have been denoted on the final plat.**

R. The applicant is reminded that a disk shall be submitted with the final plat tracing to the Planning Department detailing this plat. This will be used by the City and County GIS Department.

If this plat requires the guaranteeing of improvements, a list of the five methods which have been adopted as being acceptable is available through the Planning Department. Also certificates, which are required if petitions are submitted and forms for the bond and irrevocable Letter of Credit, are also available from this office.

The enclosed "marked" copy of the plat is for your information and files.

This matter will be forwarded to the Planning Commission for its consideration on Thursday, June 11, 1998, at 1:30 p.m. If you have any questions concerning this matter, please call.

Sincerely,

A handwritten signature in black ink, appearing to read "Neil Evan Strahl". The signature is fluid and cursive, with the first name "Neil" being the most prominent.
