**City of Wichita
City Council Meeting
April 17, 2012**

TO: Mayor and City Council

SUBJECT: ZON2012-00004 – City zone change from SF-5 Single-family Residential (“SF-5”) to LI Limited Industrial (“LI”) generally located between South Maize Road and South Tyler Road, along the north side of K-42. (District IV)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA: Planning (Consent)

MAPC Recommendation: Approve, subject to platting within one year, vote (7-0-1)

DAB IV Recommendation: Approve, subject to platting within one year, vote (10-0)

MAPD Staff Recommendation: Approve, subject to platting within one year.

Background: The applicant requests a zone change from SF-5 Single-Family Residential (“SF-5”) to LI Limited Industrial (“LI”) on a 1.51-acre unplatted tract located 800 feet east of South Maize Road, along the north side of K-42. According to county records, the subject property is currently developed with a single-family residence; however, a site visit did not reveal any residential structures. Currently, there are structures accessory to the industrial use abutting the west side of the site.

The surrounding area is characterized primarily by industrial uses, although four single-family residences remain along K-42 east of the subject site on property zoned SF-5. The property north of the subject site is zoned LI, and is developed with a transit warehouse facility (Fed-Ex). Property south of the subject site, across K-42, is zoned LI, and is developed with a manufacturing operation. Property west of the subject site is zoned LI, and is developed with a plastic manufacturing facility.

Since the property east of the subject site is zoned SF-5, the Unified Zoning Code (“UZC”) screening, lighting and noise standards and the Landscape Ordinance landscaped street yard, parking lot landscaping and buffering requirements will apply. The UZC compatibility setback standards also apply unless a Zoning Adjustment is requested and granted by the Planning Director and Zoning Administrator to reduce or waive the compatibility setback.

Analysis: At the Metropolitan Area Planning Commission (MAPC) meeting held March 15, 2012, the MAPC voted (7-0-1) to recommend approval of the request. The case was approved by consent. There were not any commission members or citizens present to speak for or against the case.

On March 5, 2012, the District Advisory Board (DAB) IV heard the rezone request. The DAB voted (10-0) to approve the request. There were not any critical comments from the DAB or the public.

Staff did not receive any protests during the subsequent two-week protest period following the MAPC meeting.

Financial Considerations: Approval of this request will not create any financial obligations for the City.

Goal Impact: The application will promote Economic Vitality.

Legal Considerations: The ordinance has been reviewed and approved as to form by the Law Department.

Recommendation/Actions:

1. Adopt the findings of the MAPC and approve the zone change request, subject to platting within one year, authorize the Mayor to sign the ordinance and place the ordinance on first reading (simple majority required).

(An override of the Planning Commission’s recommendation requires a two-thirds majority vote of the City Council on the first hearing.)
