TO: Mayor and City Council

SUBJECT: ZON2008-00067 – City zone change from SF-5 Single-family Residential (“SF-5”) to LC General Commercial (“LC”) subject to a Protective Overlay; generally located north and east of South Meridian Avenue and I-235. (District IV)

INITIATED BY: Metropolitan Area Planning Department *JLS*

AGENDA: Planning (Consent)

DAB IV Recommendation: Approve, subject to staff recommendations, (7-0)

MAPC Recommendation: Approve, subject to platting within one year and the provisions of Protective Overlay #227, (12-0)

MAPD Staff Recommendation: Approve, with Protective Overlay #227

Background: The applicant is requesting LC Limited Commercial (“LC”) zoning for the 1.43-acre unplatted SF-5 Single-family Residential (“SF-5”) zoned site. The site is currently undeveloped. The site is located directly north of I-235, on the east side of South Meridian Avenue. The requested LC zoning would allow the applicant to extend existing LC zoning from the north and to market the site for commercial development.

The applicant also owns the LC zoned property located directly west of the northern two lots included in this application. The property included in this rezone request is bisected by the existing 35th Street South right-of-way that is currently undeveloped. To bring the existing LC zoned, and the proposed zoned properties into one lot, the applicant would have to vacate the existing right-of-way by way of a vacation request or replatting of the property.

The site is located across Meridian Avenue from the Meridian Outlet Mall Community Unit Plan (“CUP”) DP-138. That entire CUP is zoned LC and is developed with both sit-down and drive-thru restaurants, a YMCA, a library and a fire station. The CUP also contains a couple of undeveloped parcels which may be occupied with future commercial development. Property to the south of the subject site consists of a drainage canal and I-235. Property north of the subject site is zoned LC and is currently undeveloped. The property abutting the east property line is zoned TF-3 Two-family Residential (“TF-3”) and SF-5 and is developed with single-family residences.

Analysis: At the DAB IV meeting held on December 3, 2008, the DAB voted (7-0) to recommend approval per planning staff recommendations, and with a protective overlay for the site to accommodate neighbors as much as possible. One citizen had concerns regarding increased traffic, and what effect would the proposed zone change have on property values and property taxes.

At the MAPC meeting held December 4, 2008, the MAPC voted (12-0) to recommend approval of the request for LC zoning subject to platting within one year, and the provisions of Protective Overlay #227 stated below. There was one citizen who spoke in opposition to the case.

1. One and one half time the landscape requirement shall be installed.
2. No order boards or queuing lanes can be located within 150 feet of the east property line.

Financial Considerations: None.

Goal Impact: Promote Economic Vitality

Legal Considerations: The ordinance has been reviewed and approved as to form by the Law Department.

Recommendation/Actions:

1. Adopt the findings of the MAPC, approve the zone change subject to platting within one year and the provisions of Protective Overlay #227; and withhold publication of the ordinance until the plat has been recorded; or
2. Return the application to the MAPC for reconsideration.
