**City of Wichita
City Council Meeting
July 1, 2014**

TO: Mayor and City Council

SUBJECT: ZON2014-00005 – Zone change from SF-5 Single-family Residential to TF-3 Two-Family Residential on Property Located West of South 12th Street East, Approximately One-Quarter Mile North of East Pawnee Street (District II)

INITIATED BY: Metropolitan Area Planning Department *JWS*

AGENDA: Planning (Non-Consent)

MAPC Recommendation: The MAPC recommended approval of the request (9-0).

DAB Recommendation: District Advisory Board II declined to make a recommendation regarding the request (7-0-1).

MAPD Staff Recommendation: Metropolitan Area Planning Department staff recommended approval of the request.

Background: The application area is 4.96 acres that contains 22 platted lots zoned SF-5 Single-family Residential (SF-5). The lots are situated on both sides of Casa Bella Street and are located approximately one-quarter mile north of East Pawnee Road, west of South 127th Street East. The lots are part of the Casa Bella Third Addition and are undeveloped. The applicant is requesting to rezone the application area to the TF-3 Two-family Residential (TF-3) district, which would permit both single-family and two-family residential uses. From South 127th Street East, Casa Bella Street heads west through and beyond the application area, ultimately curving south to connect with East Willowgreen Street, which heads further west where it connects with South Tara Falls Street that connects with East Pawnee Road.

Located immediately north of the application area is the SF-5 zoned Reserve C; a 40-foot wide drainage and utility reserve associated with the Casa Bella Addition. North of Reserve C is a nearly 20-acre tract that is developed with a residence and used for farming or ranching. East of South 127th Street East are large unplatted tracts that are zoned SF-5 and LC Limited Commercial (LC). An identical zone change request (ZON2010-00024) was approved in 2010 for 18 platted lots (Lots 1-18, Block 1, Casa Bella Third Addition) located on both sides of Willowgreen Circle, situated immediately south of the application area. The land located west of the application area is part of three Casa Bella residential subdivisions, and is zoned SF-5.

Analysis: On May 22, 2014, the Metropolitan Area Planning Commission (MAPC) approved (9-0) the request. Two individuals, representing the same property located north of the application area, spoke in opposition. The speakers expressed the opinion that the zone change would negatively impact their farming and ranching activities by introducing additional density abutting their small farm and their pasture had become infested with weeds and trash from the applicant's property. The property owners also expressed the opinion that since they were the only ones present to object, the other surrounding property owners must not have been notified.

On June 3, 2014, District Advisory Board (DAB) II voted 7-0-1 to decline to make a recommendation regarding the request after the same property owners who spoke in opposition at the MAPC meeting appeared to present the same objections as had been presented at MAPC. One property owner has submitted a protest petition that equals 33.05 percent. A three-fourths majority vote by the City Council will be required to override the protest petition.

Financial Considerations: Approval of this request will not create any financial obligations for the City.

Legal Considerations: The Law Department has reviewed and approved the ordinance as to form.

Recommendation/Actions: It is recommended that the City Council adopt the findings of the MAPC and approve the requested zone change (super majority vote required); authorize the Mayor to sign the ordinance and place the ordinance on first reading; deny the request (simple majority vote required) or return the application to the MAPC for reconsideration.
