**BACKGROUND: BACKGROUND:** The application area is the eastern or rear 50 feet of Lot 49, Park Vista Addition that is addressed as 1016 North Edwards Avenue. Lot 49, Park Vista Addition is 300 feet deep, is zoned Single-Family Residential (SF-5) and its only street frontage is onto North Edwards Avenue. The western end of Lot 49, Park Vista Addition is developed with single-family residence. The owner of the property located immediately east of Lot 49, Park Vista Addition wishes to purchase the eastern or rear 50 feet of Lot 49, Park Vista Addition in order to provide more parking for his property (2604 West 9<sup>th</sup> Street) that fronts North McLean Boulevard and West 9<sup>th</sup> Street, is zoned General Office (GO) and is developed with a strip office center. If the zoning request is approved, the subject property – the rear 50 feet of Lot 49, Park Vista Addition – would be attached to Lot 1, Knudtson Addition (2604 West 9<sup>th</sup> Street) in order to provide additional parking for the strip office center.

The land located immediately west of the application area is developed with a single-family residence, and is the lot from which the subject property is proposed to be removed and rezoned. Land located to the south and east of the subject site is the property owned by the property owner that is attempting to obtain the zone change and is zoned GO. Land located north of the application area is zoned SF-5 and is developed with a single-family residence.

If the request is approved, the application will have to be screened from adjoining SF-5 zoned property, provide parking lot and buffer landscaping, limit any parking lot lighting standards to a maximum height of 15 feet and pave the surface.
