Re: S/D 94-65 BRAND COMMERCIAL ADDITION - (Final Plat)

Dear Mr. Smythe:

At the regular meeting of the Metropolitan Area Planning Commission on Thursday, November 3, 1994, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of October 27, 1994.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.
3. Subdivision regulations now require a detailed Lot Grading Plan be submitted to Engineering prior to the tracing being released. This applies to all multi-lot and residential developments.

Please call if you have any questions.

Sincerely,

Don Losew
Senior Planner

Re: S/D 94-65 BRANDT COMMERCIAL ADDITION (Final Plat)

Dear Mr. Smythe:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on Thursday, October 27, 1994, the above captioned plat was considered. The action of the Committee was to recommend that this plat be approved subject to:

- A. The applicant shall guarantee the extension of sanitary sewer to serve the lots being platted. The plat shall also indicate any needed easements and an off-site easement shall be obtained by the applicant and submitted with the final plat tracing.
- B. As requested by the applicant, the existing petition for Ponderosa Circle will be used for this street; however, a sidewalk certificate shall be submitted for the installation of sidewalk along the north side of this street. This certificate shall note that the sidewalk will be installed upon construction of the street and not just upon development of the site.
- C. The applicant shall guarantee any drainage improvements required by the platting of this property. As indicated by City Engineering, needed cross-lot drainage agreements or easements shall be submitted for recording with the plat.
- D. In accordance with DP-214, General Provision #13, the applicant shall guarantee construction of continuous decel lanes along 13th and Maize as well as extension of left-turn lanes for the major entrances on both streets. These guarantees shall include sidewalk construction along both arterial streets.
- E. In accordance with DP-214, General Provision #19, the applicant shall guarantee construction of the portions of the two major entrances which will be within public right-of-way. The portions of the major entrances on private property will be required to be constructed at the time of site development.

1130011

- F. In accordance with DP-214, General Provision #19, if multiple ownership is anticipated, an owners' association agreement providing for the maintenance of the open space, internal drives, parking areas, drainage improvements, etc., shall be filed with the plat.
- G. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- H. On the final plat tracing, any setback not subject to being varied based on conditions noted in the CUP, shall be platted. Specifically, a 35-foot building setback shall be indicated along the west and south lines of Lot 5, the 35-foot setback on Lot 5 to Maize Road shall be clearly shown within that lot's narrow extension out to this street, and Lot 4's 15-foot utility easement adjacent to Ponderosa Circle shall also be labeled a building setback.
- I. As requested by Southwestern Bell Telephone, a 10-foot utility easement shall be shown running along the west and south line of Lot 1 (and a 20' utility easement along the west line of Lots 3 & 4 (also crossing the area of Lot 5 between Lots 3 & 4).
- J. The applicant shall submit for the plat file copies of the Joint Access Easements being created by separate instrument.
- K. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- L. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- M. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- N. Recording of the plat within 30 days after approval by the City Council.

If this plat requires the guaranteeing of improvements a list of the five methods which have been adopted as being acceptable is available through the Planning Department. Also, certificates which are required if petitions are submitted and forms for the bond and irrevocable Letter of Credit are also available from this office.

The enclosed "marked" copy of the final plat is for your information and files.

This matter will be forwarded to the Planning Commission for its consideration on Thursday, November 3, 1994 at 1:30 p.m. If you have any questions concerning this matter, please call.

Sincerely,

Don Losew
Senior Planner
