This recommendation is based on the following findings:

1. The zoning, uses and character of the neighborhood: The area's character is rural with agricultural fields and scattered farmsteads. The site sits over the Equus Beds.
2. The suitability of the subject property for the uses to which it has been restricted: Accessory apartments are allowed as a "Conditional Use" in "RR" zoning provided the applicant and the site meet the specified criteria. The application and the site appear to meet these criteria.
3. Extent to which removal of the restrictions will detrimentally affect nearby property: Any detrimental effect should be minimized by the conditions for accessory apartments by the UZC and the conditional use.
4. Conformance of the requested change to adopted or recognized Plans/Policies: The Unified Zoning Code makes specific provision for accessory apartments in "RR" zoning. This application appears to comply with all the provisions outlined in the UZC for accessory apartments.
5. Impact of the proposed development on community facilities: The applicants' request should have a minimal impact on community facilities; there is no public water or sewer available at this time. The site is outside any rural water district.

CASE NUMBER: CON2005-00014

OWNER/APPLICANT: Bradley & Elizabeth Anderson Orville & Lola Anderson

REQUEST: Conditional Use for accessory apartment

CURRENT ZONING: "RR" Rural Residential

SITE SIZE: 8.36-acres

LOCATION: Generally located approximately ¼-mile west of 135th Street
West on the north side of 45th Street North
(BoCC District #3)

PROPOSED USE: Accessory Apartment for parent

BACKGROUND: The applicants are requesting a "Conditional Use" to allow an accessory apartment on an 8.36-acre tract, located at 13820 West 45th Street North. The applicants' parents will live in the accessory apartment. The subject site is zoned "RR" Rural Residential. Because the proposed additional structure will contain a kitchen and sleeping quarters, it is classified as dwelling unit and thus requires "Conditional Use" approval for an accessory apartment. The site is in Sedgwick County and within the City of Colwich's area of zoning influence. The applicants have provided a site plan.

The site plan submitted by the applicant shows the apartment sitting behind the primary residence on the north side of the site. The site plan also shows the primary residence, two barns, grain bins and the driveways. The primary structure was built in 1927, is a two-story frame house with lap siding and is approximately 1,859-square feet in size. The proposed accessory apartment is shown as approximately 1,680-square feet in size. The accessory apartment shares the same drive onto 45th Street North as the primary residence. The site plan shows distances between structures and the size of some of the structures.

The subject site is located in a rural portion of Sedgwick County, with scattered farmsteads and agricultural fields. There is a mature hedge of trees around the subject site. There are agricultural fields located on all sides of the subject site, with the nearest neighbor located over a quarter of a mile to the southeast. There are a series of communication towers west of the site. The site is located approximately 1 ½ - miles southeast of the City of Colwich.

As per the Unified Zoning Code, the "Conditional Use" requirements for accessory apartments stipulate the following:

- (a) A maximum of one accessory apartment may be allowed on the same lot as a single-family dwelling;
- (b) The appearance of an accessory apartment shall be compatible with the main dwelling and with the character of the neighborhood;
- (c) The accessory apartment shall remain accessory to and under the same ownership as the principal single-family dwelling, including that it shall not be subdivided or sold as a condominium.
- (d) The water and sewer service provided to the accessory structure shall not be provided as separate service from the main dwelling.

CASE HISTORY: The subject site is an unplatted tract. The Colwich Planning Commission considered this case at their April 26, 2005 meeting and recommended approval with Staff's recommended conditions.

ADJACENT ZONING AND LAND USE:

NORTH:	"RR" Rural Residential	Agricultural fields
SOUTH:	"RR" Rural Residential	Agricultural fields
EAST:	"RR" Rural Residential	Agricultural fields
WEST:	"RR" Rural Residential	Agricultural fields

PUBLIC SERVICES: 45th Street North and 135th Street West are both unimproved Union Township roads. The 2030 Transportation Plan projects no change in 135th Street West's status, but shows 45th Street North to become a two-lane arterial. The site is outside any rural water districts and is served by a well. The site has no access to public sewer and is served by a septic system.

CONFORMANCE TO PLANS/POLICIES: The 2001 Sedgwick County Development Guide Land Use Guide of the *1999 Update to the Wichita-Sedgwick County Comprehensive Plan* designates this area as "Rural". The Rural category is intended to accommodate agricultural uses, rural based uses that are no more offensive than normal agricultural uses, and large lot residential subdivisions with provisions for future water and sewer services. The policies of the Unified Zoning Code allow one accessory apartment to be associated with a principle dwelling as a "Conditional Use" if the proposed use is compatible with the principle dwelling, is in character with the surrounding residential development, is accessory to the main structure, remains in a single ownership, and obtains water and sewer service from the main dwelling hook-up.

RECOMMENDATION: Based upon information available prior to the public hearing, Staff recommends that the request be APPROVED subject to the following conditions being completed within a year:

1. The accessory apartment shall be subject to all requirements of Section III-D.6.a of the Unified Zoning Code; including appearance of the accessory apartment shall be compatible with the primary residence.
2. The applicant shall obtain all applicable permits, including but not limited to building, health, and zoning.
3. Per the recommendation of the Sedgwick County Department of Code Enforcement, Water Quality Specialist, the site's septic tank will have a pump tank with an alarm to get the effluent to the existing lateral field.
4. If the Zoning Administrator finds that there is a violation of any of the conditions of the Conditional Use, the Zoning Administrator, in addition to enforcing the other remedies set forth in Article VII hereof, may, with the concurrence of the Planning Director, declare the Conditional Use null and void.
