STAFF COMMENTS:

- A. The applicant shall guarantee the extension of sanitary sewer to serve the lot being platted.
- B. The applicant shall guarantee the extension of City water to serve the lot being platted.
- C. The applicant shall guarantee any drainage improvements required by the platting of this property.
- D. Guarantees for the construction of sanitary sewer, City Water and street paving may be held until such time as Shadybrook Court is to be constructed.
- E. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- F. The applicant shall submit, for recording with the plat, the temporary ingress and egress and joint utility agreement tying this site with Lot 1, The Timbers Addition. The text of the agreement shall specify that the agreement runs with the land and is binding on future owners and assigns until such time as Shadybrook Court is constructed.
- G. Regarding Reserve A of Timbrook 3rd Addition, which was platted for private drive purposes, the applicant shall provide a restrictive covenant which sets forth construction and maintenance responsibilities of the improvements required for access through this reserve. This covenant shall also indicate that these improvements will be constructed upon the construction of Shadybrook Court. The text of the covenant shall specify that the terms of the covenant run with the land and are binding on future owners and assigns.
- H. On the final plat tracing, the MAPC signature block shall indicate the new chairman (a change in the chairman's position is pending).
- I. Since this site does not benefit from direct access to public right-of-way or direct access to public utilities, the applicant shall submit to the Planning Department a site layout plan for review prior to this plat being scheduled for the City Council. This site plan shall include the location and dimension of all proposed structures, location of temporary and future driveways; location of parking areas and circulation patterns (both pedestrian and vehicular); location of public and private sewer and water line tie-ins; and location/distance to nearest fire hydrant. The Director of Planning shall review this site plan to ensure the applicant can meet the requirements of access to a

Re: S/D 90-32 TIMBER CHAPEL ADDITION

Dear Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on May 24, 1990, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of May 18, 1990.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the plattor; if the title report or attorney's opinion has not already been submitted.
3. Certification that all due real estate taxes have been paid.
4. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.

Please call if you have any questions.

Sincerely,
