Re: S/D 90-12 - WESTPORT INDUSTRIAL PARK

Dear Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on April 26, 1990, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of April 20, 1990.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the plattor; if the title report or attorney's opinion has not already been submitted.
3. Certification that all due real estate taxes have been paid.
4. Submission of a check, made out to the Register of Deeds, covering the costs of any documents to be recorded as a requirement of platting.

Please call if you have any questions.

Sincerely,

Don Losew
