Re: S/D 90-11 - STEIN-ADAMS ADDITION

Dear Gary:

At the regular meeting of the Metropolitan Area Planning Commission on March 23, 1990, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of March 23, 1990.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the plat; if the title report or attorney's opinion has not already been submitted.
3. Certification that all due real estate taxes have been paid.

Please call if you have any questions.

Sincerely,

R. Timothy Bickhaus
Associate Planner

STAFF COMMENTS:

- A. Since neither municipal water nor sanitary sewer is available to serve this property, the applicant shall contact the Environmental Health Division of the Health Department to find out what tests may be necessary and what standards are to be met for approval of on-site sewerage facilities and water wells. A memorandum shall be obtained specifying approval.
- B. The final plat tracing shall clearly indicate that this plat dedicates additional street right-of-way for both Delaware and Legion. In particular, the 30 feet of right-of-way for Delaware and the additional 15 feet for Legion is in addition to the existing 40 feet of right-of-way dedicated by adjacent properties. In addition the centerline of both streets shall be provided on the final plat tracing.
- C. The final plat shall indicate the utility easements requested by K.G.& E. and Southwestern Bell which are indicated on the enclosed "marked" copy of the plat.
- D. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- E. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- F. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- G. Recording of the plat within 30 days after approval by the City Council.
