

- Q. The final plat shall indicate the utility easements requested by K.G. & E. and Southwestern Bell which are indicated on the enclosed "marked" copy of the plat.
- R. To receive mail delivery without delay, and to avoid unnecessary expense, the applicant is advised of the necessity to meet with the U.S. Postal Service Growth Management Coordinator (phone 316-946-4527) prior to development of the plat so that the type of delivery, and the tentative mailbox locations can be determined.
- S. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- T. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(C).
- U. Recording of the plat within 30 days after approval by the City Council.

WICHITA-SEDGWICK COUNTY
METROPOLITAN AREA PLANNING COMMISSION

AGENDA ITEM NO. 2

February 16, 1989

STAFF REPORT

(Final Plat Approved 2/9/89; Preliminary Plat Approved 7/2/87)

CASE NUMBER: S/D 89-4 REFLECTION RIDGE 3RD ADDITION

OWNER/APPLICANT: Reflection Ridge, Inc., 7926 W. 21st St. N.,
Wichita, KS 67212

SURVEYOR/ENGINEER: Professional Engineering Consultants, P.A.

LOCATION: North side of 21st Street North, approximately
600-feet east of Tyler Road.

SITE SIZE: 29.1 Acres

NUMBER OF LOTS

Residential:	57
Office:	
Commercial:	1
Industrial:	
Total:	58

MINIMUM LOT AREA: 9,600 sq. ft.

CURRENT ZONING: "AA"

PROPOSED ZONING: "AA" & "LC" (Z-2868)

VICINITY MAP:

STAFF COMMENTS:

- A. The applicant shall guarantee the extension of sanitary sewer to serve the lots being platted.
- B. The applicant shall guarantee the extension of City water to serve the lots being platted.
- C. The applicant shall guarantee the paving of the proposed interior streets.
- D. The applicant shall guarantee construction of the storm sewers required by this plat.
- E. The applicant shall guarantee any drainage improvements required by the platting of this property.
- F. The applicant shall guarantee required medial improvements along 21st Street North to serve the entrance at Reflection Road. A decel lane shall also be guaranteed adjacent to this plat along 21st Street North.
- G. The Reflection Road street paving petitions shall provide for the construction of sidewalks on one side of the street. Reflection Road is a collector street. A sidewalk on one side of Reflection Road is proposed on the applicant's sidewalk plan as an alternative to construction of sidewalks on both sides of the collector street.
- H. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the planning Department for recording.
- I. The City's sidewalk ordinance provides for the developer to guarantee the construction of sidewalks on both sides of the collector street (Reflection Road). When the preliminary plat was approved, staff suggested that a sidewalk plan be proposed as an alternative to the "both sides of a collector street" requirement. The applicant has chosen to design a sidewalk system with sidewalks on one side of Reflection Road. The alternate plan, for the entire Reflection Ridge Development provides pedestrian access to the perimeter arterial streets at 4 locations (two to 21st Street, one to Ridge Road and one to 29th Street) whereas the system provided for by the sidewalk ordinance accesses 21st Street at only one point with one point of access to Ridge Road. Staff believes the developer's proposed sidewalk plan offers a much more meaningful pedestrian access system and recommends that the Planning Commission recommend that the City Council waive the requirements of the sidewalk ordinance and accept the alternate sidewalk plan.

- J. Upon the recording of this plat, Reflection Road shall become a designated residential collector street. Since all residential lots abutting this street will not have direct access to it, the collector street may be paved 29 feet in width. The normal collector street pavement is 37 feet. This reduction of pavement width has been agreed to by the Traffic Engineer provided a covenant is filed with the plat which provides that, in the event on-street parking problems materialize, the homeowner's association agrees to pay the cost of installing "No Parking" signs. A draft of this required covenant shall be submitted to staff for review and approval prior to submitting the final plat tracing for scheduling before the City Council.
- K. The applicant shall submit a covenant which provides for four (4) off-street parking spaces per dwelling unit on each lot which abuts a 58-foot street right-of-way. The covenant shall inventory the affected lots by lot and block number and shall state that the covenant runs with the land and is binding on future owners and assigns.
- L. Provisions shall be made for ownership and maintenance of the proposed reserves. The applicant shall either form a lot owners' association prior to recording the plat or shall submit a covenant stating when the association will be formed, when the reserves will be deeded to the association and who is to own and maintain the reserves prior to the association taking over those responsibilities.
- M. For those reserves being platted for drainage purposes, the required covenant which provides for ownership and maintenance of the reserves shall grant, to the City, the authority to maintain the drainage reserves in the event the owner(s) fail to do so. The covenant shall provide for the cost of such maintenance to be charged back to the owner(s) by a method similar to special assessments.
- N. As required by the drainage plan for this site, the applicant shall obtain an offsite drainage easement needed to the south/southwest of Lots 18 and 19, Block 2. This easement shall be submitted with the final plat tracings for approval and acceptance.
- O. The applicant shall obtain, by separate instrument, the offsite easements required for the sanitary sewer plan serving this site. This instrument(s) shall be submitted before or with the final plat tracing.
- P. The applicant shall meet with staff from the Fire Department to determine appropriate street names for the cul-de-sac streets extending from Reflection Road.

Re: S/D 89-4 - REFLECTION RIDGE 3RD ADDITION

Dear Mr. Wiley:

At the regular meeting of the Subdivision Committee of the Metropolitan Area Planning Commission on February 16, 1989, the above captioned plat was considered. The action of the Committee was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of February 10, 1989.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the Board of City Commissioners for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the plattor.
3. Certification that all real estate taxes for the first half of 1988 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Timothy Bickhaus".

R. Timothy Bickhaus
Associate Planner
