STAFF COMMENTS:

- A. Approval of this final plat is subject to approval of the applicant's associated zone case (Z-2959).
- B. The applicant shall either abandon or amend the existing petitions on file for this property. If projects are to be abandoned as a result of this replat, the applicant shall pay off the charges against the abandoned projects. Square footage figures shall be provided for the lots within this plat so existing special assessments and petitions may be amended.
- C. The applicant shall guarantee the extension of sanitary sewer to serve the lots being platted.
- D. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- E. Prior to submitting the final plat tracing, the applicant shall meet with Traffic Engineering to determine the access control to be established from this plat to the intersection of Central and 119th Street West.
- F. The final plat tracing shall label the centerline of Pine and Milstead.
- G. The final plat indicates that Lots 1 and 2 and 1 and 10 shall share a joint access point; in such a case an access easement is required.
- H. The proposed joint access easement will need to be established by separate instrument with appropriate recording information indicated on the final plat tracing. Prior to recording the joint access easement, a draft shall be submitted to the Planning Department for review and approval. The instrument must clearly state the purpose of the easement as well as which properties benefit from the easement. Initial construction responsibilities and future maintenance of the driveway within the easement should also be addressed by the text of the instrument.
- I. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(c).
- J. Recording of the plat within 30 days after approval by the City Council.
- K. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.

Re: S/D 89-47 - Golden Hills 6th Addition

Dear Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on August 3, 1989, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of July 28, 1989.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the plattor.
3. Certification that all real estate taxes for 1988 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

R. Timothy Bickhaus
Associate Planner
