Re: Final Plat S/D 88-50 - ZAKAS 6TH ADDITION

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on July 7, 1988, the above-captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of July 1, 1988.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platfor.
3. Certification that all real estate taxes for half of 1988 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

Donald Losew
Junior Planner

STAFF COMMENTS:

NOTE: The applicant has filed an associated zone case (Z-2918) requesting a zone change from "A" (two-family dwelling) to "BB" (office district). This zone case is scheduled to be heard by the MAPC on 7/7/88.

- A. The applicant shall guarantee any drainage improvements required by the platting of this property.
- B. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- C. Approval of this plat is subject to approval of the applicant's associated zone case (Z-2918).
- D. The applicant shall make satisfactory arrangements for installation of new water meters or relocation of existing meters made necessary by this replat.
- E. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- F. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- G. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(C).
- H. Recording of the plat within 30 days after approval by the City Council.
- I. The representatives from the utility companies should be prepared to comment on the need for utility easements to be platted on this property.
- J. The representative from the City Engineer's office should be prepared to comment on the status of the applicant's drainage plan. Specifically, are any drainage guarantees required?

Note: This plat has been submitted in final form only.
