Re: Final Plat S/D 87-85 - SHERWOOD INDUSTRIAL PARK IV

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on March 17, 1988, the above-captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of March 11, 1988.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platfor.
3. Certification that all real estate taxes for 1987 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

Donald Losew
Junior Planner

STAFF COMMENTS:

NOTE: This plat is a revision of the final plat of Sherwood Industrial Park IV, approved by the Planning Commission on February 4, 1988. The only change in this plat has been the elimination of the Sheridan Court cul-de-sac that provided access to the interior of the lots being platted. In this revised plat, all lots will still have street access, but by means of perimeter streets. The only change to the comments established for the original final plat is the elimination of the comment concerning paving of Sheridan Court.

- A. The applicant shall guarantee the extension of City water to serve the lots being platted.
- B. The applicant shall guarantee the extension of sanitary sewer to serve the lots being platted.
- C. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- D. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- E. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- F. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(C).
- G. Recording of the plat within 30 days after approval by the City Council.
