Re: S/D 88-60 — Josh's Addition

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on August 4, 1988, the above captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of July 29, 1988.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the Board of City Commissioners for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the plattor.
3. Certification that all real estate taxes for the first half of 1986 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

Donald Losew
Planner

My Appt. Exp. _____ Notary Public

SUBDIVISION COMMITTEE RECOMMENDATIONS:

- A. The applicant is advised that if he wishes, a 20-foot building setback to Tyler Road may be indicated on the final plat tracing.
- B. The applicant shall either eliminate the access opening to Tyler Road on the final plat tracing, or make arrangements with City Engineering for payment of any special assessments required with the improvements associated with Tyler Road.
- C. The applicant shall submit an avigational easement covering all of subject plat and a restrictive covenant assuring that adequate construction methods will be used to minimize the effects of noise pollution in the habitable structure constructed on subject property.
- D. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision regulations.
- E. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- F. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(C).
- G. Recording of the plat within 30 days after approval by the City Council.
