Re: Final Plat S/D 88-2 - LAMAR FIRST ADDITION

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on February 4, 1988, the above-captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee subject to the conditions stated in our letter of January 29, 1988.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the City Council for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platlor.
3. Certification that all real estate taxes for 1987 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

Donald Losew
Junior Planner

the Wichita-Sedgwick County Metropolitan Area Planning
Commission, Wichita, Kansas.

Dated this _____ day of _____ 198____
Wichita-Sedgwick County Metropolitan Area Planning Commission

Elton Parsons Chairman

Marvin S. Krout Secretary

Know all men by these presents that
we, the undersigned, have caused the land described in
the surveyors certificate to be platted into a lot and
street to be known as "LAMAR FIRST ADDITION," Wichita,
Kansas. The utility easement is hereby granted as in-
dicated for the construction and maintenance of all
public utilities. The street is hereby dedicated to and
for the use of the public. All abutters rights of access
to or from Amidon over and across the west line of Lot
1 are hereby granted to the City of Wichita, provided
however that Lot 1, shall have access to Amidon at
two points as shall be determined by the City Engineer
of Wichita, Kansas.

Ed Resa Deputy

STAFF COMMENTS:

NOTE: The applicant's associated zone case (Z-2888), requesting "LC" (light commercial) zoning for the eastern portion of this property, has been approved subject to replatting.

- A. The applicant shall guarantee any drainage improvements required by the platting of this property.
- B. The applicant shall attempt to obtain a valid petition for the paving of 26th Street North adjacent to the north line of this subdivision.
- C. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- D. Since an existing sidewalk system does not exist to the east, it is recommended that the sidewalk required on 26th Street, by this lot's commercial zoning, be waived.
- E. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- F. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- G. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(C).
- H. Recording of the plat within 30 days after approval by the City Council.
- I. The representative from the City Engineer's office should be prepared to comment on the status of the applicant's drainage plan. Specifically, are any drainage guarantees required by this replat?

NOTE: This plat has been submitted in final form only.
