STAFF COMMENTS:

NOTE: This plat was approved by the Subdivision Committee on April 7, 1988. Since that time, the applicant has been unable to resolve issues of a condemnation case relating to a proposed Reserve. This revised final plat has deleted the reserve from the perimeter of the plat. The area is shown as an exception between the river and the west line of the plat.

- A. The applicant shall guarantee any drainage improvements required by the platting of this property.
- B. The applicant shall guarantee the abandonment of the sanitary sewer lateral on the northern half of Lot 1, which is not being covered by a utility easement.
- C. If improvements are guaranteed by petition, a notarized certificate listing the petitions shall be submitted to the Planning Department for recording.
- D. The applicant is advised that, at the time of site redevelopment, the vacated Dewey Street return to Wichita Street should be closed or reconstructed to the standards of a private drive.
- E. The applicant's engineer is advised that the Register of Deeds is requiring the name(s) of the notary public, who acknowledges the signatures on this plat, to be printed beneath the notary's signature.
- F. The applicant shall install or guarantee the installation of all utilities and facilities which are applicable and described in Article 8 of the MAPC Subdivision Regulations.
- G. Perimeter closure computations shall be submitted with the final plat tracing. Section 5-101(C).
- H. Recording of the plat within 30 days after approval by the City Council.
- I. The representative form the City Engineer's Office should be prepared to comment on the drainage plan for this revised plat. Specifically, are any drainage guarantees required?

Re: S/D 88-19 - EASTBANK FIRST ADDITION - West side of Wichita
Street, between Kellogg and Lewis

Gentlemen:

At the regular meeting of the Metropolitan Area Planning Commission on September 1, 1988, the above-captioned plat was considered. The action of the Planning Commission was to recommend that the plat be approved as recommended by the Subdivision Committee, subject to the conditions stated in our letter of August 26, 1988.

In addition to complying with those conditions, it is necessary that you meet the following requirements before this plat can be forwarded to the Board of City Commissioners for consideration:

1. Submission of the fully completed and signed tracing of the subdivision to the Metropolitan Area Planning Department.
2. Submission of a title report by an abstract or title insurance company or an attorney's opinion that fee title is vested in the platator.
3. Certification that all real estate taxes for the first half of 1988 and all prior years have been paid.

Please call if you have any questions.

Sincerely,

R. Timothy Bickhaus
Junior Planner
